For Mrs. Alberta E. Crowe, WIBC president, the 1980-81 season was her 21st and last at the head of the largest women's sports organization in the world. Under her firm leadership over those two decades, WIBC emerged into the forefront of the national bowling scene. Special honors were accorded Mrs. Crowe throughout the season, and many of those are highlighted on the pages of this annual report.

1980-81 Season Review

The 1980-81 season ushered in several important changes for WIBC and also served as the setting for continuation of some meaningful traditions.

Mrs. Alberta E. Crowe, whose dynamic leadership as WIBC president for the past 21 years, had made her the leading lady of women's bowling, concluded her presidency. The woman who had guided WIBC through two decades and into the '80s, and who had seen WIBC membership more than double during her tenure, stepped down effective July 31, 1981.

Elected at the 64th WIBC Annual Meeting in Baltimore, Md., as the fifth president in WIBC history was Mrs. Helen Baker of Cocoa Beach, Fla., WIBC first vice president and a member of the Board of Directors for 16 years.

One big change, which both Mrs. Crowe and Mrs. Baker had worked diligently for in recent years, was realized when final approval was given for the merger of the American Junior Bowling Congress and the Youth Bowling Association into the Young American Bowling Alliance by delegates to the 1981 American Bowling Congress convention.

WIBC had led the way in granting approval for the new organization in 1980 with the Bowling Proprietors' Association of America following suit shortly after. The new organization will encompass both youth programs as well as the ABC/WIBC collegiate division and will become operational August 1, 1982.

This past season also saw the National Bowling Hall of Fame and Museum move closer to reality as the fund total approached $4 million and design plans were approved. Construction was due to begin during the 1981-82 season.

The WIBC Championship Tournament was dominated by bowlers from California as Golden Staters took all four titles at the 1981 event. Only once before in the history of the WIBC championships had bowlers from one state swept every title.

With the WIBC Queens Tournament once again enjoying sponsorship by Avon Products, Inc., the championship was won by Katsuko Sugimoto of Tokyo, Japan, first foreign bowler in the history of the event to win the coveted tiara.

Also included in the season highlights were fine performances by WIBC members representing the United States in several international competitions. Two WIBC members maintained their personal traditions at the WIBC Championship Tournament. Myrtle Schulte of St. Louis, Mo., competed in her 53rd WIBC and Mary Covell of Chicago, Ill., bowled in her 50th, becoming

only the second woman to reach that plateau. Two outstanding bowlers were inducted into the WIBC Hall of Fame in the Superior Performance in the Game of American Tenpins category, bringing the total number of women now included in the honor group to 75.

ANNUAL MEETING

One of the largest delegations in WIBC history, 3,429, convened April 27-29 in the Baltimore, Md., Civic Center for the 64th WIBC Annual Meeting.

The opening session was highlighted by a parade of flags honoring Mrs. Crowe for her many years of service to WIBC. It was only the third time the special ceremony had been used during an annual meeting.

During a speedy 50 minute legislative session, the delegates adopted 10 of 22 proposed amendments to WIBC bylaws and playing rules and rejected seven. The remaining amendments were not considered due to action taken on other similar amendments.

The legislation which was approved concerned the increase of state and local dues, allocation of delegates for new associations, state annual meeting site selection, sanctioning of pro-am style tournaments and lane changing during league bowling.

Also during the opening session, Shelley Johnson of Toledo, Ohio, was presented with the 1981 Alberta E. Crowe Star of Tomorrow Award.

Inducted into the WIBC Hall of Fame were two stars who had made their marks on the game during the 1960s. D.D. Jacobson of Playa Del Rey, Calif., and Betty Kuczynski of Cicero, Ill., received the Award for Superior Performance in the Game of American Tenpins.

Mrs. Jacobson, winner of two WIBC titles, earned the 1967 team championship and the 1972 singles title with 737, still the tournament record. She also won the 1964 WIBC Queens title. Her first national title came in the 1960 BPAA National Team tournament. She was also the winner of seven California, two Los Angeles and three Santa Monica association titles.

Miss Kuczynski received the first Star of Tomorrow Award in 1961 and in 1965 was named Woman Bowler of the Year. She won the 1965 WIBC Queens crown and the 1966 WIBC team title. Twice she won both the BPAA National Doubles tournament and the BPAA National Team tournament. Winner of one professional title, Betty also won one Illinois and eight Chicago association titles.

On the day delegates had been anticipating since Mrs. Crowe announced at the 1980 Annual Meeting in Seattle, Wash., her intention not to seek re-election, Mrs. Baker won a convincing victory on the first ballot.

She was chosen over Mrs. Agnes Duffy of Richmond, Calif., WIBC second vice president, and Mrs. Billie O'Connor of Chehalis, Wash., WIBC seventh vice president, who had been nominated from the floor. Earlier, Gladys Banker of Charles Town, W. Va. WIBC fourth vice president who had also been a nominee, had withdrawn her name from consideration.

The election of one vice president, re-election of an incumbent vice president and six incumbent directors followed. Elected to fill Mrs. Duffy's post as second vice president was Mrs. Rae Fisk, WIBC third vice president from Houston, Texas. Mrs. Lo Borschuk was re-elected fifth vice president without opposition.

Six directors were returned to office. They were: Mrs. Barbara Bates, Mystic, Conn.; Miss C. Jean Shonka, Brigham City, Utah; Mrs. Beatrice Lane, Ossineke, Mich.; Mrs. Mitzi Herold, Aiken, S.C.; Mrs. Trudy Todd, Denver, Colo.; and Mrs. Nancy Chapman, Green Bay, Wis.

Following the Annual Meeting, Mrs. Baker appointed Mrs. Duffy first vice president. The president-elect then elevated the last four vice presidents one step each and appointed Mrs. Joyce Deitch of Las Vegas, Nev., seventh vice president. To fill Mrs. Deitch's unexpired term as

a director, Mrs. Baker chose Mrs. Ruth Smith of Findlay, Ohio, president of the Ohio Women's Bowling Association for six years.

The delegates approved Toledo, Ohio, as the site of the 1985 Championship Tournament and Annual Meeting, and the Gold Ball was officially transferred from Mrs. Ruth Peters, Baltimore WBA president, to Mrs. Marie Hisel, St. Louis WBA president. The 1982 WIBC events will be held in St. Louis.

CHAMPIONSHIP TOURNAMENT

More than 33,000 women bowlers converged on Baltimore for the 62nd annual WIBC Championship Tournament. The entry of 6,532 teams, with entries from all 50 states and seven foreign countries, was the seventh largest on record and largest WIBC in the Eastern states. The prize fund of $537,636 was also seventh largest.

For the eighth time in tournament history, two bowling centers hosted the event. Bowl America Odenton was the site for team competition. Doubles and singles were held at Brunswick Perry Hall Lanes. The tournament schedule spanned 55 consecutive days from April 2 to May 26.

California bowlers swept every championship. Only once before in the history of the WIBC event had bowlers from one state won every title. In 1940, Illinois bowlers had dominated every event.

Biggest winner among the Californians was Virginia Norton of South Gate. Mrs. Norton ended a personal two-year drought, during which she had not won a title of any kind, by winning both singles and all events. Virginia broke away from a tightly bunched field in singles rolling 214, 252, and 206 for 672.

The trim righthander added series of 581 in team and 652 in doubles for a 1905 all events total, good enough for a one-pin victory over Robin Romeo of Beverly Hills, Calif. Virginia's score ranks 10th on tournament records, while Miss Romeo's 1904 is 11th.

Virginia's two WIBC titles were the third and fourth of her career. In addition, she teamed with Vesma Grinfelds of San Francisco, Calif., for second in doubles and her team, Cherry Bowl of Rockford, Ill., finished ninth. Her overall earnings were $2,630, second highest for a single WIBC.

Another double winner was Donna Adamek of Duarte, Calif. Donna, Woman Bowler of the Year the last three consecutive years, won her first career WIBC titles, teaming with Nikki Gianulias of Vallejo, Calif., in doubles and bowling with team

champion, Earl Anthony's Dublin Bowl from Dublin, Calif.

Miss Adamek and Miss Gianulias, previous recipients of the Alberta E. Crowe Star of Tomorrow Award, combined for 1305, fourth highest total on tournament records. Nikki rolled 688 on 245, 238 and 205 to lead the twosome as she also won her first WIBC championship. Donna added 617 on 186, 226 and 205.

Earl Anthony's Dublin Bowl was led by 19-year-old Cindy Mason of La Habra, Calif. Bowling in her first WIBC, Cindy reeled off 211, 225, and 214 for 650. Pat Costello of Union City, Calif., Dublin Bowl captain earning her third WIBC title, rolled 615 from the anchor position on 213, 213 and 189.

Miss Adamek contributed 191, 172 and 246 for 609. Veteran June Llewellyn of Pampano Beach, Fla., who earned a WIBC team title in 1973, added 571, and Karen Crowther of Canoga Park, Calif., had 518.

QUEENS TOURNAMENT

Katsuko Sugimoto of Tokyo, Japan, became the first foreign competitor to win a Queens title in the event's 21-year history, as Avon sponsorship for the second consecutive year helped the Queens become one of the richest events in women's bowling.

Thanks to increased Avon backing, the 35-year-old professional collected $15,000 for her first place finish, largest women's individual payoff. The total prize fund was raised to $60,000 from the previous year's $45,000.

Miss Sugimoto tipped Virginia Norton 166-158 in the final match game of the televised stepladder finals. The Japanese righthander had gone undefeated in match play and was the top seed in the five-bowler finals.

Mrs. Norton, the fourth-seeded bowler, had won the first three stepladder matches to earn the right to face Katsuko. Fresh from her double triumph in the WIBC championships, Virginia had been the leading qualifier with a 1673 eight-game total and had won 10 match games, most by any bowler.

In the first match game, Virginia downed veteran Betty Maw, a nonprofessional from W. Seneca, N.Y., 187-177. She then defeated defending champion Donna Adamek 235-196, stopping her bid for a record third straight crown, and upended second-seeded Linda Sherwood of Overland Park, Kan., 236-188.

The top eight Queens finalists and their total earnings, including match game and qualifying prizes, were: 1. Miss Sugimoto, $15,745; 2. Mrs. Norton, $8,870; 3. Miss Sherwood, $6,045; 4. Miss Adamek, $4,845; 5. Mrs. Maw, $3,545; 6. Lorrie Nichols, Island Lake, Ill., $3,005; 7. Cindy Coburn, Buffalo, N.Y., $2,645; 8. Jeanne Maiden, Aurora, Ohio, $1,945.

For the second straight year, Entertainment and Sports Programming Network (ESPN) taped the finals and distributed the show to its cable television network. The two-hour program was aired three times during June.

COLLEGIATE EVENTS

The 20th Women's National Intercollegiate Championships was held April 6 on the WIBC tournament lanes in Baltimore. The Association of College Unions-International event is annually co-sponsored by Brunswick and WIBC.

Michele Citro of Penn State won the all events totaling 1691 with series of 543 in singles, 543 in doubles and 605 in the final three games of all events. Miss Citro also teamed with Carol Palangio of Robert Morris College in Pittsburgh, Pa., to capture the doubles title. Miss Palangio rolled a 581 series to give them an 1124 total.

In singles, Linda Painter of Michigan State University and Flat Rock, Mich., bowled games of 176, 232 and 188 for a 596 and first place.

College teams were pitted against each other at the National Collegiate Championships in St. Louis, Mo., May 7-9. The Lady Lions of Penn State dominated the competition but it was Arizona State

University emerging on top by battling its way from third. Arizona State also captured the men's title.

In the women's finals Arizona State first defeated Indiana State 184-182 and then knocked off Penn State in the final 181-167. Members of the champion team were: Mary Pasenelli, Patty Bowie, Theresa Kolcz, Debbie Lister, Judy Shaw, and Michelle Sullivan.

MEMBERSHIP

WIBC's final membership reached 4,112,012 for 1980-81, fourth highest figure in history, as WIBC recorded more than four million members for the fifth consecutive season. However, the count was 75,041 fewer than the previous season, a drop of 1.78 percent.

League totals went from a record 168,718, the season before, to 165,887, third highest total on record, but reflecting a 1.68 percent decrease.

Michigan was the leading state association in membership for the first time in 25 years, totaling 347,696. Ohio, last year's leader, dropped to third with 343,115, while New York moved up a notch to second with 344,457. Rankings among the rest of the top 10 remained the same.

The top 10 states in number of leagues remained unchanged from the season before, with California on top once again with 17,886. New York and Ohio followed with 12,919 and 12, 278 respectively.

Detroit, Mich., continued to hold the lead in both membership and leagues among local associations. With 119,554 members and 3,645 leagues the Detroit WBA easily topped second place Chicago, Ill., in both categories. The Chicago WBA had 76,356 members in 2,601 leagues.

In her report to the delegates at the WIBC Annual Meeting, Mrs. Alberta E. Crowe, WIBC president, reminded delegates to look at their own association's membership totals and then make more league visitations to "beat the bushes" encouraging new members.

HIGH SCORES

All-time WIBC records were set in several categories during the 1980-81 league season with a new high two-woman team three-game series, highlighted by the highest triple score bowled by a WIBC member, leading the way.

Susie Reichley and Merrill Alexander, both of Dallas, Texas, combined for 1479 November 3, in the Lunch Bunch Doubles League at Dallas' Hart Bowl to establish the new two-woman mark.

Their score was five pins better than the old record set by Cheryl Daniels of Detroit, Mich., and Aleta Rzepecki of Dearborn Heights, Mich., in 1978-79.

Mrs. Alexander led the pair with an 804 series, one of seven bowled by WIBC members

during the season. However, she accomplished the feat with three 268 games for an all-time high WIBC triple score. Nancy Werther of Houma, La., had the previous high with 227.

Miss Reichley, the 1968 WIBC all events champion, backed up Merrill with 675. Also known for the four years she spent teaching bowling in Japan, Susie had games of 255, 206 and 214.

Establishing new marks for three-woman team game, three-game series and four-game series was Canoga Park Motor Inn of Canoga Park, Calif. Pam Blake, Betty Mivalez and Mary Michel teamed to set the record scores in one session of the Ladies Open Trio League at Canoga Park Bowl.

With Pam bowling 279, Betty 245 and Mary 279 for 803, the threesome bettered the old team game record 744 by Roe Marx' Team of Rockville Centre, N.Y., in 1970-71. The Californians had 2072 after three games and finished with 2754 for four, outscoring Holland Oil of Akron, Ohio, which had taken the lead earlier in the season in both categories.

Robin Romeo of Beverly Hills, Calif., became the first WIBC member to bowl two 800 series when she connected for 804 and 826 on successive days while competing in the Western Women Professional Bowlers Canoga Park Open at Canoga Park Bowl.

Miss Romeo rolled 804 on 246, 278 and 280 on July 25 and came back with 826 on 269, 269 and 288 on July 26. Her scores tied for eighth and second place respectively on WIBC's record of individual three-game series in a tournament.

Other WIBC members bowling 800 series during the season were: Sally Casale, Beaverton, Ore., 815, good for a fourth place tie among individual three-game league series; Betty Morris, Stockton, Calif., 807; Nikki Gianulias, Vallejo, Calif., 802, and Janice Gutfeld, Hayward, Calif., 800.

Sharon Nasta of Elizabeth, N.J., finished with a 223 average in the Friday night Mixed Doubles League at Four Seasons Play and Recreation Center in Union, N.J., for the highest league average by a WIBC member during the season. Sharon's average was second only to the WIBC record 227 recorded by Patty Ann of Arlington Heights, Ill., during 1979-80.

WIBC members also bowled 79 perfect games during 1980-81, topping by one the former high mark for a season also set during 1979-80. Two women bowled two 300 games each during the year. They were Jeanne Maiden of Solon, Ohio, who accomplished the feat for an unprecedented second season in a row, and Mary Gardner of San Carlos, Calif.

Richmond Paint from San Francisco, Calif., rolled the season's high five-woman team game, notching 1185 which tied for sixth in that category. Bowling a 3275 five-woman team three-game series was Mentor Pro Shop of Cleveland, Ohio. The score, high for 1980-81, ranked third on the all-time records.

TEAM TRIALS

Seven top nonprofessional women bowlers earned spots in two international events at the sixth U.S. Team Trials, June 17-20, at Red Carpet South Lanes in Milwaukee, Wis.

Six competed in the 8th American Zone Tournament of the Federation Internationale des Quilleurs in Winnipeg, Manitoba, Canada, July 25-August 1.

Making the U.S. team were: Cora Fiebig, Madison Heights, Mich.; Annese Kelly, Brooklyn, N.Y.; Jean Havlish, St. Paul, Minn.; Donna Dillon, Irving, Texas; Mary Mohacsi, Livonia, Mich., and Barbara Walker, San Francisco, Calif.

Mary Lou Vining of Inver Grove Heights, Minn., placed seventh in the 24-player field, earning a trip to World Games I, held July 24-August 2, in Santa Clara, Calif. The Games featured 15 non-Olympic sports in addition to bowling.

The U.S. women's team, (l-to-r) Jean Havlish, Annese Kelly, Mary Mohacsi, Barbara Walker, Donna Dillon and Cora Fiebig, received gold medals after winning the five player title at the FIQ American Zone event in Winnipeg, Canada.

Team trials qualifiers came from the 1980 and 1981 WIBC Championship Tournaments and two collegiate events in each year. The 10 highest nonprofessionals in all events from each WIBC event were eligible, along with the all events champions from the Women's Intercollegiate Championships and the women's qualifying leaders from the National Collegiate Championships in both years.

AMERICAN ZONE CHAMPIONSHIPS

The U.S. women's team carried the load at the 8th American Zone Tournament of FIQ in Winnipeg. The championships brought 72 women and 69 men from 12 nations to Empress Lanes.

Led by Barbara Walker, 21-year-old collegiate star, the U.S. women won four gold and two bronze medals. Miss Walker collected three gold medals, including the individual championship when she defeated Edda De Boneta of Mexico in the final two-game match 356-348.

The San Jose State (Calif.) bowler combined with international veteran Annese Kelly to win the doubles and also bowled on the winning United States five-player team.

Joining Barbara on the champion five-woman team was Miss Kelly, Jean Havlish, Cora Fiebig and Mary Mohacsi. Miss Kelly, though only 31 years of age, has now won gold medals in FIQ play in each of the last three decades. She led the triumph by rolling 1148 for six games to pace the 5336 team total.

Mary Mohacsi set a record in winning the fourth gold in singles. Mrs. Mohacsi posted a 1265 six-game total to defeat her closest rival by 120 pins.

Other U.S. women's medals came in singles, where Cora Fiebig captured the bronze, and the three-player team event where Mrs. Fiebig, Miss Havlish and Donna Dillon tied for third.

The U.S. men's team accounted for two golds, two silvers and one bronze, with Steve Fehr leading a U.S. sweep in singles and capturing the silver in the individual championship. The other gold was won in the five-man team event.

INTERNATIONAL EVENTS

WIBC representatives competed in three other international tournaments during the season. Mary Lou Vining, who tied as the highest nonprofessional all events finisher at the WIBC Championship Tournament with Kathy Haislip of Royal Oak, Mich., saw action in two of them.

Competing first at World Games I by merit of her finish in the U.S. Team Trials, Mary Lou

Mary Lou Vital (left) represented U.S. women in World Games Lane 2 the Tournament of the Americas. The formation of the downtown St. Louis site into the National Bowling Hall of Fame and Museum was to begin during 1981-82.

won the bronze medal in singles and narrowly missed defeating eventual gold medalist Liliane Gregori of France 428-411.

Held for the first time, the event, intended to be a biannual affair, attracted 25 women and 23 men who competed in singles and mixed doubles.

Then the Minnesotan took part in the 19th Lee Evans Tournament of the Americas at Cloverleaf Lanes in Miami, Fla., August 3-8, joining Betty Hurd of Melbourne, Fla., the top nonprofessional all events finisher in the 1980 Florida WBA tournament. Rob Vital of Lancaster, Pa., and Jim Kontos of Munster, Ind., were the U.S. men's representatives.

Mary Lou nearly captured the all events crown but was beaten by fast charging Joanne Walker of Canada 6243-6236 over 33 games. Mary Lou and Betty teamed for third in women's doubles and combined with the U.S. men for second in the mixed foursome competition.

In mixed doubles, Mary Lou and Jim had to settle for second, missing first by 12 pins. In the national all events competition the U.S. again struck silver with a 25,625 tally.

At the 1980 AMF World Cup in Jakarta, Indonesia, October 27-November 1, WIBC member Jean Gordon of Vancouver, British Columbia, Canada, won the women's division title. It was the third time in the history of the event that a Canadian woman has won the title. Jean defeated Hannelore Hoplitschek of West Germany 602-557 as she rolled games of 223, 189 and 190.

U.S. representative, Terry Yoshihara of Tampa, Fla., finished seventh.

HALL OF FAME

Bolstered by several large donations, the National Bowling Hall of Fame and Museum fund totaled nearly $4 million at the close of the 1980-81 season. Construction of the shrine to bowling was set to begin during the 1981-82 season.

The museum's major fund raising project, the "I Beat the Bowler of the Decade" contest featuring Betty Morris and Earl Anthony, raised $375,000 during the season. It was the third largest fund raising project since the campaign was initiated.

Anheuser Busch Companies, Inc. of St. Louis, Mo., future home of the NBHF/M, made a $500,000 donation, largest single gift to date in the campaign.

A fine fund raising effort by Brunswick Recreation Centers netted more than $83,000 from its 240 bowling centers across the country.

Finally, to honor Mrs. Crowe for her many years of service to the game, living tributes totaling $35,000 were made in her name by a number of associations and individuals.

If all goes well, tournament goers and delegates to the 1982 WIBC Championship Tournament and Annual Meeting in St. Louis will probably see the NBHF/M structure in early stages of development on its downtown site.

President's Report

Baltimore, Md.
April 27, 1981

TO: The Board of Directors and delegates assembled at the 64th Annual Meeting of the Women's International Bowling Congress

Welcome to historic Baltimore, Md., and Chesapeake Bay, where Francis Scott Key wrote the Star Spangled Banner in 1814 and where now, 167 years later, the Women's International Bowling Congress gathers for the first time.

For me, another kind of history is made here today because it marks the 21st and final time that I deliver my annual report as your president. These have been challenging, rewarding and joyful years in service to you and our millions of WIBC members.

When I step down as your president 94 days from now, it will conclude 42 years of service to our national organization. That wasn't exactly what I had in mind back in 1939 — to be very honest with you! But I have not regretted a single moment of it, not even those days when problems seemed to outweigh gains we were making.

It is not my intent in this report to detail those gains and goals achieved over the years, but rather to remind you and your next president, whomever she may be, of some very important matters that will require our time, our labors, and our dedication in the years ahead.

There are two great challenges before us. First, combatting the current trend towards turning everyone into 300-game bowlers and also making a travesty of the game we love. Lane blocking is a real problem and we are trying to cope with it whenever and wherever we can.

I deeply commend and am grateful to all those fine proprietors who believe in the sanctity of the game and advertise their centers as the lanes where honest scores are bowled, centers for fair bowling conditions for one and all.

All associations have been notified about the Local Bowling Industry Forums in which WIBC, the American Bowling Congress and the Bowling Proprietors' Association of America have joined hands in an attempt to educate association leaders (men's and women's) about this sorry problem that is plaguing us. If you learn about a seminar to be held in your area, please make every attempt to attend, and then pass on what you have learned to others.

Bowling is in danger of losing its credibility if the current cancer continues to grow! The need has never been greater than right now to enhance the image of bowling. Your help is needed.

Second, combatting the decline in WIBC membership. In 1979-80 our string of 33 consecutive years of expanding membership ended. We showed a membership decline for the first time since 1946-47.

We believe the receding economy is to blame as more American women find it necessary to return to the job market to fight off inflation. This takes them away from their daytime bowling leagues.

In turn, new bowlers did not offset this attrition. Look at your own membership figures. Did yours decline? Did you do something about it like visiting a proprietor in your area where there are unsanctioned leagues and then selling WIBC sanctioning?

All of us are just going to have to encourage association officers to get out of the office chair to make visitations to leagues and proprietors, "beating the bushes" like we did 25 to 30 years ago. Some of you will remember those days when we used our sales skills. Sign up the open play bowler. Go to her. Don't wait for her to come to you. We need to make known the benefits of WIBC.

We know that the number of leagues not applying for sanctioning has also contributed to our decline in membership, not only among regular bowlers but among senior bowlers as well. It is very important that you work closely with all bowling proprietors in your community. Only by leagues being sanctioned can we reap the full harvest.

Benefits, which would be denied them otherwise, include high score recognition, awards, rules counseling, materials for record-keeping, bonding for protecting league and association funds, how-to-bowl guides, pamphlets, brochures, workshops, training seminars, tournament sanctioning, film library, a monthly magazine and public relations aids. All are for a membership fee less than the price of the average theater ticket.

The "Bring-A-Friend" program of the National Bowling Council is one tool we can use to bring new bowlers into the center. Let's remember that slogan as we mix with non-bowling friends in our other activities in church, school and civic work, and enlist them in the fun and sociability of our great sport.

Recently the National Bowling Council statistical committee took a look into the future and we were advised that our sport should be made aware of changing trends in America, which could have a significant impact on bowling in the coming decade. Every one of us should help meet these challenges. We need to prepare ourselves.

Among the trends are:

- An increase in the 35-44- year-old market which is a prime market, according to council research, for league bowlers.
- A decline in the 25-34-year-old age group. This is the pool of casual, and eventually, league bowlers.

- A significant increase by the year 2000 of senior citizens, which can represent added league bowlers for the game.
- A decrease in the 14-17 year-old market.
- An increase in the number of working women from 60 percent today to 70 percent by 1990.

As a means of increasing your membership count, we do have a fine senior program that will continue to require our support and saleswoman power. The total number of American women and men over 55 years of age is increasing annually (57 percent by the year 2000) and as these people retire, they can help themselves to stay active and fit through bowling.

Many bowling centers offer reduced rates for seniors during the morning hours or during open time periods. Of course, we need you to assist them in forming leagues and co: vincing them that only by sanctioning will they receive the full benefits of a senior bowling program, beginning with the "special" senior awards. Presently we are developing a much stronger and appealing senior program which we hope to culminate with a national tournament event in the years ahead.

Some of our state associations are already developing a state senior tournament. Please advise us if you need help.

Our 1981 WIBC championships, which began April 2, are the largest ever held here in the 12 Eastern states and the seventh largest WIBC Championship Tournament among the 62 held since 1916. We have a fine entry of 6,532 five-woman teams. Congratulations to our Baltimore Women's Bowling Association Board of Directors and members, and all of you for your support.

More than $500,000 will be paid out in prizes and the memories each of us will have will be 10 times that number. Six foreign nations will be represented in our tournament.

From this report, you know that bowling is worldwide and it is a feather in our caps that the United States has helped other nations get started in our sport of tenpin bowling.

Our collegiate program continues to thrive and the 1981 National Collegiate Championships will be held next week (May 7-9) at Tropicana Lanes in St. Louis, (Mo.) This event is sponsored by the National Bowling Council and is one of the most exciting competitions for young college folks that you'll ever see.

We are grateful to the Brunswick Corp. for their co-sponsorship of the National Women's Intercollegiate Championships in cooperation with the Association of College Unions-International (ACU-I). These finals are held on the WIBC Championship Tournament lanes. Terry Yoshihara of Hillsborough Community College in Tampa, Fla., the 1980 ACU-I individual winner, represented the United States in the AMF World Cup in Jakarta, Indonesia, where she finished seventh. Canada's Jean Gordon, a WIBC member, was the winner.

Likewise, we are grateful to AMF for their World Cup tournament, which greatly assists in focusing attention on bowling worldwide. We are very pleased that AMF will hold its 1981 event at Madison Square Garden in New York, N.Y., October 28-November 3. Everyone is invited.

International competition lies ahead for six of our members after the U.S. Team Trials are held June 17-20 in Milwaukee, Wis. They will represent the United States in the 8th , American Zone Championships of the Federation Internationale des Quilleurs in Winnipeg, Canada, July 25-August 1. On the very same days, World Games I will be held in Santa Clara, Calif., with bowling represented. We have many ongoing plans for bowling to take its rightful place in world sports events.

A six-player women's team and six-player men's team will be determined in the U.S. Team Trials. Twenty-four women will participate. . .10 high nonprofessional all events finishers from the 1980 WIBC Championship Tournament in Seattle, Wash., and 10 from our 1981 event here in Baltimore. In addition, last year's two collegiate champions, Miss Yoshihara and Barbara Walker of San Jose State, leading qualifier from the National Collegiate Championships will be in the field. The 1981 collegiate event winners will join them.

Already qualified from 1980 are Dolores Gilchrist, Brookhaven, Pa.; Donna Dillon, Irving, Texas; Lucy Giovinco, Tampa, Fla.; Ronnie Willets, Hicksville, N.Y.; Annese Kelly, Brooklyn, N.Y.; Linda Newman, Tukwila, Wash.; Ann Bartok, Toledo, Ohio; Bunny Bumbaca, Santa Clara, Calif.; Pat Brown, Lewiston, Mont.; and Fran Bill, Tacoma, Wash.

At the conclusion of the FIQ American Zone Tournament in Winnipeg, WIBC and ABC will be hosts in Milwaukee to meetings of the FIQ Presidium and World Congress August 3-5. Representatives from at least 40 nations will attend. The FIQ World Bowling Championships were held in the United States in Milwaukee in 1971.

Therefore, our beautiful Bowling Headquarters complex and research/testing facility most certainly will amaze our many foreign visitors because those who were here in 1971 saw only the steel and concrete superstructure.

As I mentioned above, also to be held in the United States this summer are World Games I, staged for the first time by the General Assembly of International Sports Federations (GAISF). The site will be Santa Clara, Calif., July 28-August 1. GAISF is for sports that are not included in the Olympics. Each

Mrs. Crowe was presented with a plaque and gavel during the 1981 WIBC Annual Meeting commemorating her many accomplishments as a tenacious leader in women's bowling.

participating country will send one man and one woman in each sport. USA's representatives will be the No. 7 finishers in the July U.S. Team Trials (one from WIBC and one from ABC).

We are only steps away from resolving the unification of the two organizations for young bowlers. A year ago in Seattle, you saw a somewhat heartbroken chairman of the unification committee (me) give up her gavel to join you delegates on the convention floor. I cited the need for one youth organization. You kept the faith as I did and I was so proud of you because your adoption of the unification resolution meant that we women led the way for the ABC and BPAA and turned the tide!

As promised in Seattle, you will find the unification report in your delegate report book which details the steps taken toward unification along with the answers to your questions at our Seattle meeting.

One of my dreams which won't be fulfilled until after my tenure is completed is the National Bowling Hall of Fame and Museum in St. Louis, our shrine to bowling! This project warrants your support and the support of anyone who has ever bowled and loves the game as we do. Whatever time and energy I can contribute in the years ahead will be spent in part working toward successfully funding this project and seeing it rise as a part of the St. Louis skyline.

Bowling needs this shrine to help establish itself as America's greatest participation sport. It will serve, not only as a reminder that 72 million Americans bowl (1 in almost every 3) but also as the treasure house of bowling memorabilia. It will trace bowling's history from 5200 B.C. to the present time.

Graphically demonstrating the old days and the new, it will respectfully honor the men and women who excelled as participants and those who unselfishly dedicated their time — and even their lives — to guiding the game's development and protecting its integrity.

My heartfelt thanks go out to all of you who have contributed with dimes and dollars in support of the "I Beat The Bowler of the Decade" (Betty Morris and Earl Anthony) project; with special fund-raising projects and campaigns of your own; and with living tributes and memorials. The response has been wonderful. With continued support such as that, and with all integers of the game joining hands for this project, its success can't help but be assured. Contributions, under our 501 (c) 3 tax exemption, are deductible.

The foundation of WIBC, as with most membership organizations of our scope, still lies in the grass roots of America. The league secretary, the association officers, the volunteers who serve basically with little or no financial rewards remain as the people who make bowling what it is.

Your first contact and orientation will be most important in dealing with new volunteers. Our present key volunteers must teach and accept the new volunteers. The quality of professional staffs will be essential in securing these volunteers. We must always remember — volunteers need an organization and the organization needs volunteers. And we must always look ahead to what we can do and what we need to achieve in the future.

It is my intention to effect a smooth transition of office between myself and the new president. This will commence within two weeks after she is elected so that, when August 1 rolls around and she takes over the reins, the great majority of the duties of both myself and Administrative Assistant Barbara Rapp, are properly transferred and understood.

The members of our Board of Directors and our full staff are very actively involved in various matters carrying on the work of WIBC, and of the bowling industry, for the constant improvement and progress of our game and our WIBC.

I thank you for the many, many beautiful letters and cards expressing your sentiments on my decision to not seek re-election here in Baltimore.

This is not a goodbye to you. I hope to continue to be of service to bowling. Serving as your president these past 21 years has been one of the most important chapters in my life. It has been rewarding and challenging all the way. Will I retire to a rocking chair? No, I will not. I cannot imagine a life without work and I know of no work as exciting and rewarding as bowling — working and meeting with all of you and so many others connected with our bowling industry.

I thank the WIBC Board of Directors, Miss Flora Mitchell and the entire WIBC staff for their cooperation, and my thanks goes to each and every one of you volunteers in the bowling family.

God bless you all.

TO: The Board of Directors and delegates assembled at the 64th Annual Meeting of the Women's International Bowling Congress

Welcome to Baltimore, Md., "Charm City USA," and to the 64th Annual Meeting of the Women's International Bowling Congress.

The 1980 executive secretary-treasurer's report to you in Seattle, Wash., stated that great challenges and a bright future were ahead for sanctioned women's bowling. That statement is still true. However, we must meet those challenges head on. A few of them are membership decrease, improper lane conditioning resulting in unrealistic scoring, and inflation.

What are we, here at WIBC, and you leaders at the local and state level doing about these areas of concern?

First, in the membership category, for the last three seasons, at the time of printing this report, we have been in a position to state WIBC had reached the four million mark. We cannot make this statement for the 1980-81 season. On March 9, 1981, our membership was 3,928,179, or 70,387 less than on this same date in 1979-80.

Also, there were 132,320 sanctioned leagues as compared to 134,507 the previous season. This factor is very serious. Are the leagues still there in the bowling centers but not sanctioning? If so, why are they not sanctioning?

In our April and July, 1980, general letters, we offered some suggestions to local associations on ways to motivate leagues to compete as sanctioned leagues. Please review these suggestions and implement those that would be appropriate for your associations. Establish a realistic goal and encourage all of your local board members to work toward it.

As to the second target, improper lane conditioning, one of the purposes of WIBC is to "adopt and enforce for the game of American tenpins uniform playing rules, regulations, qualifications and conditions governing WIBC members, teams, leagues and tournaments."

During the past few years, you may have noticed that bowling scores are going up, up, up. Of course, improving our skills is one of the objects of the game, and those who improve should be commended. However, if bowling is to continue as the sport we know and love, high scores must be achieved by players who compete on good, neutral lane conditions. Awards must be earned through the efforts of the bowler rather than obtained due to sleight-of-hand on the part of the person dressing the lanes.

The problem of unrealistic scoring conditions affects all integers of the game. While relatively few WIBC members are directly involved in lane conditioning or lane inspecting, the problems relating thereto are equally important to all of us.

This season WIBC joined hands with the American Bowling Congress and the Bowling Proprietors' Association of America to create awareness and to provide an educational program on proper lane conditioning through the Local Bowling Industry Forum. Seven of these forums were held during December, January and February. They were designed to instruct bowlers and bowling center personnel on proper lane conditioning and certification methods.

The forums were open to representatives of men's and women's bowling associations and proprietors of bowling centers in areas around the towns or cities where the forums were conducted. More of these forums are being planned for early summer and fall.

WIBC also participated with ABC in a joint brochure entitled *Aren't You Getting Sick of Hearing About Lane Blocking?* There has been mixed reaction to this pamphlet. It was designed to draw every bowler's attention to the fact that bowlers are in a position to stop lane blocking.

One way women bowlers can help solve the problem is by offering to help in the lane inspection program in their area. This help can take several different forms, providing persons to be a part of the inspection team, providing financial assistance to help defray the expenses of the inspection, or by providing clerical help to record information at the time of the inspections.

We don't have a solution for the state of the current economy. At Bowling Headquarters we are continuing to be conservative in ordering all our supplies and materials and in seeking competitive quotations. It will continue to be our goal to provide materials and services at a reasonable cost and of the highest quality.

Our latest effort in endeavoring to provide improved service to our members is the installation of a new computer in the data processing department. The new system includes on-line capabilities for specific departments at Bowling Headquarters. These departments will have access to all unclassified information on file, both for inquiry and updating purposes. The daily operations will be faster and much paperwork will be eliminated. The new system should bring about decreased costs as well as enable us to provide better services to our members.

The 1981 WIBC Championship Tournament opened its 55 day run on April 2 and will conclude May 26. This is the seventh longest run of the WIBC showcase and the seventh largest entry in WIBC history. Baltimore earns the latter ranking with 6,532 teams, 15,807 doubles, 31,614 singles and the 29,987 optional all events entries. The 33,000 plus bowlers are competing for prizes in excess of $547,000.

The 62nd edition of the WIBC championships will include teams from all 50 states, Bermuda, Canada, Japan, Sweden, Venezuela, Panama and The Philippines. The traveling entry of 6,083 teams ranks sixth for teams participating from states

outside the hostess state.

States other than Maryland with large entries are: Virginia, 559 teams; Pennsylvania, 545 teams; Michigan, 387 teams; Ohio, 330 teams; New York, 293 teams and Illinois, 275 teams. Leading associations in team entries, excluding Maryland cities are: Washington D.C. Area, 263 teams; Wilmington, Del., 73 teams; Greater Portland, Ore., 63 teams; Minneapolis, Minn., 61 teams; and Detroit, Mich., 57 teams.

This year, the tournament champions' and division winners' awards will have a new look. The silver bowls that have been given in the past are being replaced by beautiful new medals designed especially for our tournament. Shaped like a bowling pin with WIBC identification down the front, the gold pin will be highlighted by a diamond for the champions and a different stone for the division winners. The medals will come with a gold-filled neck chain.

As most of you are aware, with the increasing number of delegates it is becoming very difficult to schedule all delegate teams during convention week. It is equally impossible to schedule everyone around all the activities that take place during the week the delegates are in the tournament city. Make your choices of dates and times early and submit your tournament entry form at the earliest possible date.

This year it was necessary to reschedule several teams, which had listed delegates on their entry form and received a squad time during convention week, because they did not actually have a delegate.

When the delegate credentials are received by our credentials department, they are checked with the delegates listed on the back of the entry form. Those teams which do not have a delegate are rescheduled. We urge local association secretaries to be aware of this situation when verifying averages and help their members avoid this problem.

Possibly due partly to rather unpredictable economic conditions, and partly to the necessity of submitting completed entry forms many months before it is time to bowl in our tournament, we have had increasing requests to provide doubles partners or fifth players for teams.

We will continue to do our best to provide substitutes or replacements when a player is unable to come to the tournament and the team captain has no one else available to bowl. However, to avoid disappointments, we urge that all team and doubles entries be complete when the entry forms are submitted to our office.

On April 4 the annual American Junior Bowling Congress handicap singles tournament was conducted at Bowl America Odenton. This tournament offers young bowlers in the area the opportunity to participate in a very exciting event. The finals of the Women's National Intercollegiate Championships were conducted by the Association of College Unions-International on April 7. Twenty-four of the top women bowlers in collegiate ranks competed in this tournament, which is co-sponsored by the Brunswick Corp. and WIBC.

Most of the top bowlers in the country will be competing at Brunswick Perry Hall Lanes for a $15,000 first prize and the title of champion of the Avon WIBC Queens Tournament. Four hundred participants begin qualifying for 63 match play spots on May 12. They will then be joined by Donna Adamek, the 1979 and 1980 Queens champion, who will be trying to capture a third consecutive crown, which would be a first in the 21-year history of this tournament. The prestigious event concludes May 15.

The 1982 WIBC Championship Tournament will open April 1, in St. Louis, Mo. St. Louis hosted the first WIBC championships in 1916, the year the organization was founded by 40 women and proprietor Dennis J. Sweeney. The WIBC Annual Meeting will be held April 19-21 and the Queens Tournament will be held May 4-8.

Entry forms for the 1982 tournament will be mailed during June to all captains of teams entered in the Baltimore tournament, individuals upon request, and local and state association secretaries. Entry closing date is January 8, 1982, unless the schedule is filled sooner.

The rising costs of operating expenses and materials have necessitated an increase in the WIBC Championship Tournament entry fees. Effective with the 1982 tournament in St. Louis, the entry fee will be $13 per person, per event, in Divisions I and II, and $16 per person, per event, in the Open Division. In addition, optional all events will be raised to $2 for Divisions I and II, and $4 for the Open Division.

For all three divisions, $7.50 of the entry fee per person, per event, will be allocated toward tournament expenses, including the cost of bowling. For Divisions I and II, $5.50 will be allocated to the prize fund, and in the Open Division, $8.50 will go for prizes. The complete all events fee will, of course, be allocated for prizes.

Las Vegas will host the 1983 tournament events. The Annual Meeting dates are April 25-27, 1983. We suggest you keep these dates in mind when planning your local and state activities for the 1982-83 season, thus avoiding any conflict of dates.

"Bowling — The Right Approach," newest addition to WIBC's film library, topped by a wide margin all films requested during calendar year 1980. The instructional film produced by the National Bowling Council had 139 showings compared with 37 from September through December, 1979, the first months of its release.

The library's two other NBC instructional films, "On the Spot" and "To the Foul Line," continued among the most requested films. Also popular was "The Fun of Bowling," the film combining three vignettes produced for cable system and television use, now in its second year.

Although all films in the library, except "Bowling-The Right Approach," experienced a decrease in the number of bookings, the service was still one of WIBC's most popular

An estimated audience of 8,430,900 persons viewed during 1980 four films produced by WIBC for television station and cable system distribution through Modern Talking Picture Service, Inc. The four films, telecast 416 times in the calendar year, were headed by "The Fun of Bowling," which was shown 155 times with an estimated audience of 1,800,400. The film, comprised of three vignettes, has been in circulation 21 months. It is also available through the WIBC film library.

The individual vignettes, the other three films in the series, were seen by 6,630,500 persons. Now in their fifth year of circulation, each has been telecast more than 480 times since being released.

Total viewership for all four films has now reached an estimated 43, 770,700 persons with an overall total of 1,766 telecasts. The three vignettes have been seen by more than 13 million viewers each, while "The Fun of Bowling" has had a total audience of more than 3 million.

The popularity and exposure of these three film clips has resulted in plans for an additional three clips. The new film clips will promote junior bowling, collegiate bowling and bowling for seniors.

Ten women from the 1980 WIBC Championship Tournament in Seattle, Wash., and two top collegiate bowlers were the first women to qualify for the expanded 24-player field of the 6th U.S. Team Trials June 17-20 in Milwaukee, Wis.

Completing the field will be their counterparts from the 1981 WIBC Championship Tournament in Baltimore, Md., and two national collegiate events. The WIBC bowlers are selected from the all events rankings and all bowlers must be nonprofessionals.

The Team Trials will be held at Red Carpet South and will determine a six-woman, six-man team to represent the U.S. at the 8th American Zone Tournament of the Federation Internationale des Quilleurs July 25-August 1, in Winnipeg, Manitoba, Canada.

WIBC and the American Bowling Congress will send the woman and man finishing seventh in the Team Trials to represent the United States at the World Games I in Santa Clara, Calif., July 24-August 1. Further information on this is contained in the report on World Games I.

In this section of the report we try to bring to your attention areas where we need assistance from the local leaders as well as other items of interest. Here are a few.

During the league season, one of the major causes of disputed games and league unrest is the refusal to grant a postponement for an emergency. Many league officers and members mistakenly believe that at least 48 hours prior notice must be given in order to request a postponement. When the reason for not appearing to bowl is due to severe weather conditions, postponement consideration is frequently denied because others in the league were able to get through.

Local association officers should stress in their workshops that under WIBC rule 112b, prior notice is not required when team members can't appear due to circumstances beyond their control. It should also be emphasized that each request for postponement should be considered on its own merits. Even though some league members are able to drive under less than favorable conditions, others might be faced with different circumstances, making it difficult for them to appear with a minimum legal lineup.

Most bowlers agree that it's preferable whenever possible to have matches bowled rather than to award points by forfeit. A forfeiture can have a definite influence on the team standings, and it is not desirable to determine a league championship on forfeited points.

An association with 250 members or more is required to conduct an annual tournament for its members. This championship tournament is automatically sanctioned, according to Article XIII, Section B of the local association bylaws. The rules department will review tournament rules and offer suggestions when requested, but it is not necessary for an association secretary to submit a sanction application to WIBC for the local association championship tournament.

Response to the revised League Officers Workshop workbook has been excellent and a further enlargement of the question and answer section is planned for the coming season. In addition, a new section will be added entitled "What to Do If . . ." in which actual league situations will be presented, along with proper solutions.

Because the League Officers Workshop workbook has become so popular, it will be placed on the supply order form for local associations and will be one of the items the secretary may order when she orders her season's supplies.

As responsible leaders in our sport, all of us must stress that there is value to being a member of WIBC. We can do this by showing enthusiasm and interest and cooperating with all the bowling family. It takes each and every one of us to make sound, strong national, local and state organizations.

On behalf of the WIBC staff, I would like to express to President Crowe our deep appreciation and gratitude for all the long hours and hard work that were always a part of her efforts on behalf of WIBC. Her dedication and devotion to bowling speak eloquently of her deep love for the sport and for its people. She has set a high example for us to follow in the future.

TO: The Board of Directors and delegates assembled at the 64th Annual Meeting of the Women's International Bowling Congress

In the committee report to the delegates in 1975, it was stated that the greatest number of cases handled was nonpayment of league fees cases. Included was the following paragraph:

"We are still fighting a vigorous battle to cut down on these particular cases. We term it a battle because of the permissiveness of many team captains and league officers. A bowler should never be permitted to bowl without being current with league fees, and letting arrearages accumulate for a number of weeks is pure folly. So, the very best advice we can give is: don't allow fees to be 'charged' and keep a close check on absentees."

Six years later we are still fighting the same battle. This struggle can be eliminated, or at least reduced drastically, by league officers seeing to it that league rules are properly drawn up and adopted and a copy distributed to at least each team captain. Every member of the league should be made aware of all rules with emphasis on payment of fees, resignations and team withdrawals.

Lineage is required to be paid to the bowling center each league session and if any league fees have been "charged" that week, the money has to come from the league treasury. This simply isn't fair to those who pay each week.

A team captain should never allow a bowler to become delinquent with her weekly fees — this is the beginning of trouble. When the treasurer sees this happening she should advise the president and something should be done before weeks roll by and the unpaid fees mount up.

Many leagues adopt rules intended to curtail arrearages. Too often these rules are completely ignored during the season. In such cases where the league contributes to the problem, the legal committee often rules that the full amount of arrearage requested is not proper and the amount is reduced to correspond with the time limit provided in the league rule.

To you state leaders who hold workshops and to those who conduct local association workshops, we again ask that you continue to pass the rules message on to league officers, putting heavy emphasis on rules 114a and 114d, and help us to continue the fight against nonpayment of league fees.

Since reporting to you a year ago in Seattle, Wash., the committee has finalized 1,292 cases and 144 applications for reinstatement. Following is a summary of the action taken by the committee:

- *1,060 Membership suspended indefinitely, with office-holding privileges withheld indefinitely in 94, never to hold office in 55.*
- *103 Barred from holding office indefinitely.*
- *92 Letter of reprimand/ letter of counsel.*
- *37 Not guilty case dismissed.*
- *113 Reinstatements approved, with office holding privileges withheld indefinitely in 17.*
- *15 Office holding privileges restored.*
- *6 Reinstatement of membership denied.*
- *10 Request to hold office denied, one given privilege to hold team captaincy.*

Nonfeasance on the part of many league presidents continues to contribute to the number of bond claims processed each year. In almost every case, the loss would not have occurred if the president had been verifying the league bank account monthly as required.

"How I wish the president would have verified the bank account in my league. She could have stopped me and the league would not have sustained over an $8,000 shortage." This

statement was made by a secretary-treasurer who was having emotional and personal problems at the time. Now, three years later, she has managed to repay the bond company and she has also paid other debts incurred by her and her family during this unfortunate time in her life.

Fifty-three bond claims, 11 more than last year, were finalized this past reporting period. Two claims were for more than $6,000, the largest being $6,236.50. The smallest amount was $65.65. In addition, the committee reviewed 85 misuse of funds cases, which did not result in bond claims, for a total of 138 cases involving bowlers' money. Monthly verification would have limited the amount in these losses, and in many cases the league would have qualified for 100 percent payment under the bond if proper procedures had been observed.

Misuse of funds and league arrearages have plagued us for years. WIBC rules and other published admonitions as well as advice given through our annual committee reports have perhaps held the problem under some semblance of control, but we have no answer beyond that. How about you — the bowler, the leader! If you have any recommendations in this area, please put them in writing to the WIBC rules department.

National Bowling Council

Baltimore, Md.
April 27, 1981

TO: The Board of Directors and delegates assembled at the 64th Annual Meeting of the Women's International Bowling Congress

Officers of the National Bowling Council for 1980-81 are: president, Bernard Rudo, Brunswick, BRC Division, president; vice president, Mrs. Alberta E. Crowe, WIBC president; treasurer, Mrs. Helen Baker, WIBC vice president.

Mrs. Crowe is chairman of the operations committee and a member of the long range planning committee and BVL committee. Mrs. Baker is a member of the statistics & research and the education committees. Mrs. Duffy is chairman of the BVL committee and a member of the marketing and the advertising committees.

The council's objectives to create greater awareness amongst corporate advertisers, advertising agencies, stimulate interest for bowling tie-ins with advertisers and generate new uses for bowling as a motif for TV commercials or print campaigns continue to work very well with results that include the following:

Winchester: implementation date is April 1. More than 62,000 lane beds have signed up for the Winchester promotion which features a free game with purchase of product.

Dunkin Donuts: test marketed in the Buffalo, N.Y., area October 15 through December 15. Cross-ruff coupon was the offer with newspaper support. Program may be extended to other regions and perhaps even nationally.

Listerine, Stroh's Beer and Zerex Anti-Freeze are using new television commercials. Sears is using newspaper advertising.

On-going action steps of this very important program include: media advertising in the *Wall Street Journal, New York Times* and *Chicago Tribune*; full page dominance in *Ad Age, Media Decisions*, etc. in specified sections and issues; newsletter support with a bi-monthly mailing to 9,000 advertising agencies, advertiser and sales promotion personnel; and direct mail of personalized proposal letters to target agencies, advertisers, movie and TV production people, and specific industries. Personal regional presentations are included to provide Ad clubs, marketing associations and like groups with data on bowling market.

Increased contribution from MUBIG enabled NBC to strengthen the public relations program and projects included: the *Public Relations Handbook* distributed to local bowling associations and bowling

Jim Worth joined the National Bowling Council staff as a traveling ambassador during 1980-81 to spread the word that bowling is for everyone, including the handicapped.

proprietors; seminars held; over 100 newspaper supplements distributed, and the On the Ball column for weekly newspapers distributed from coast to coast.

The traveling ambassador program was expanded with the addition of Jim Worth, a wheelchair veteran and senior at California State University, Fullerton, Calif. He is spreading the word that bowling is really for everybody, the able as well as disabled. Media coverage of Jim's visits has been outstanding. Former Miss Kentucky, Linda Woodruff, continues to visit cities as NBC's other traveling ambassador.

National placements of bowling stories included: *Womens Sports, Nation's Business, Sportstyle Magazine, New York Times, Associated Press, Denver Monthly, Coach and Athlete, Seventeen* and *Sports Illustrated*.

Extensive coverage was provided on the All-American Youth Bowling Championships held in Washington, D.C. in summer, 1980, with tournament coverage to hometown television, radio and newspapers. There were daily stories in the *Washington Post, Washington Star* and *McClain Journal*, plus extensive Washington, D.C. radio coverage.

A $250,000 program cooperatively funded by MUBIG, Bowling Proprietors' Association of America and NBC ($50,000) featured Tom Seaver and family in "Family Bowling Funstakes" with a trip for four to Hawaii as first prize. Over 450,000 entries were returned in the contest and bowling received some of the most extensive coverage ever realized from a contest of this type.

For the 18-month period, July, 1980, through December, 1981, the NBC research projects are: 1. a dropout study; 2. a compilation and analysis of the BPAA and MUBIG monthly lineage data; 3. an extensive attitudinal study of the role of women in bowling.

It is interesting to note that 1979-80 local bowling promotions spent $1,920,233.02 (NBC subsidy $403,198.17), an increase of 33 percent over 1978-79, but in the first year of the program (1969-70) spent $499,361 (NBC subsidy $101,070). These figures are impressive and prove that the NBC subsidy program works. Currently, NBC advertising subsidy programs are underway in 37 of the top 50 markets, or 74 percent. "Come Out to Where the Fun Times Roll" and "Rolling Thunder" are the current themes.

Additional advertising materials will be produced in time for the BPAA annual meeting in New Orleans. These materials will be for use during the 1981-82 period.

Under the direction of NBC, St. Louis, Mo., will be the site of the National Collegiate Championships May 7-9, 1981. A full report of this tournament is given in the collegiate report.

The Council works in a number of areas in education. NBC's Learn to Bowl Plus, Learn to Bowl Youth and Learn to Bowl Seniors programs are used in bowling centers nationwide. After a center has these LTB materials, it takes a trained individual to teach the classes. To train these instructors, NBC holds Certified Instructor Programs (CIPs) each year and approximately thirty-five are now scheduled at which over 1,000 instructors will be certified. Education Service Center (ESC) clinics reach many physical education teachers each year with 11 completed or scheduled for this bowling season.

A seniors promotion kit has been developed and is available for sale to bowling proprietors. The council recognizes the great potential in the 55 years-of-age-and-over group. Bowling is a lifetime sport and we look forward to increased activity from the senior population and urge everyone to promote senior leagues and tournaments in every local area.

Co-sponsored by Coca-Cola, the 20th Annual All-America Youth Bowling Tournament was held in Washington, D.C. in 1980. Winners were publicized and extensive national media coverage resulted. Scholarships provided will assist the winners with their college educations and the national competition was a new experience for many of the participants.

A national youth tournament will not be held in 1981, but plans are already underway for a 1982 event.

Bowling in the '80s is the continued concern of the National Bowling Council and current programs of advertising, public relations, compilation of statistical information and other research, education, marketing and promotion of the game to outside corporations and organizations will be continued and expanded. This will take the combined effort of the NBC staff in Washington, D.C. and the representatives from all the integers who are members. Your continued support and promotion at the local and state level is also vital to keep bowling among the leading sports.

BVL Fund

Baltimore, Md.
April 27, 1981

TO: The Board of Directors and delegates assembled at the 64th Annual Meeting of the Women's International Bowling Congress

America's bowlers' generosity in 1979-80 moved the BVL Fund over the $10 million mark by contributing $763,515.81 to help hospitalized veterans. This effort, undertaken by bowlers all over the United States, marks the best year ever for our bowling charity.

Phoenix, Ariz., led the list of contributors by raising $20,257.80, a significant increase from its $18,000 raised in 1978-79. In second place was last year's top fund raising city, Syracuse, N.Y., with $19,525.35. Third place belonged to Ventura County, Calif., with $18,646.04. Fourth was Citrus Belt, Calif., raising $16,080.90.

Rounding out the rest of the top ten were: Nashville, Tenn., $12,518.54; Minneapolis, Minn., $12,125; Greater Miami, Fla., $10,600; Greater Portland, Ore., $8,608.96; Indianapolis, Ind., $8,476.70; Cobb (Marietta), Ga., $8,170.

California continues as the top state in total contributions, with 42 associations contributing $1,000 or more for a total of $155,530.46. New York was second with $46,013.11, third was Tennessee with $34,379.32, followed closely in fourth place by Indiana with $34,332.18. Overseas contributions were received from Cuba, Korea and Germany. Leadership at the state and local levels has always been the key to the continued success of the BVL program.

Many bowlers are honored or memorialized by special contributions to the BVL Fund. Such contributions in the name of family or friends, are acknowledged with special BVL cards. One card is sent to the family of the deceased or honored individual and the other is sent to the contributor.

We also want to recognize the ongoing donations from the 500 clubs, 600 clubs, WIBC Pioneer (20-Year) Club, state and local club groups and assistance and donations from the other integers of bowling.

Television sets continue to top requests from the various hospitals and a total of 442 sets were approved by the committee for distribution together with increased base-line funds of $182,750. Another $17,537 in additional funds was approved on special requests for 16 hospitals. Copies of the weekly publication *"Sporting News"* will continue to be distributed to the Veterans' Administration hospitals.

Jim Worth, one of NBC's traveling ambassadors, will be added to the list of star bowlers for visits to the VA hospitals this year. Jim, a former hospitalized vet, will tie in an extra day's visit to areas where there is an active bowling program in the local hospital. We feel that Jim will be able to relate very closely with the patients and his bowling skills from his wheel chair should inspire some of the patients to try our game of bowling.

The star bowler visits have been a most popular part of the BVL program for many years. The bowlers actually give instructions at a bowling center as well as visit with patients that cannot take part at the lanes. On the tour of the hospitals they sign autographs, have a photograph taken with the patients and in general brighten that particular day for many.

Nelson Burton, Jr., will be BVL's Honorary Chairman. Bo, as he is known to his television audience and friends, is a veteran, married and father of three children. He is one of the Professional Bowlers Association's top 10 all-time money earners, an ABC Hall of Famer, and a spokesman like none other for the sport of bowling. He is a television celebrity and always a leading competitor. He won the American Bowling Congress Masters in 1976 in Oklahoma City, Okla., and he leads the ABC Tournament 10-year average list with 210.32 for 91 games. We look forward to working with him for BVL. New publicity and promotion materials will be available from BVL headquarters in Washington, D.C., for the coming season.

Local and state leaders do such a great job for the BVL program and spend countless hours to make life just a bit easier for so many of our fellow Americans who have served us. The millions of dollars that have been raised and used for recreation and rehabilitation have helped in countless ways over many years. We have been advised so often that our extra concern has resulted in patients returning to their homes, learning a trade, or improving their health. They can't say thanks to each of you, but you can take continued pride for a job you continue to do so well.

TO: The Board of Directors and delegates assembled at the 64th Annual Meeting of the Women's International Bowling Congress

At its annual meeting in St. Louis, Mo., on July 21, 1981, the following officers were elected: president, Milt Rudo; vice president, Dick Richards; secretary, Roger Tessman; treasurer, Flora Mitchell.

Elected to the executive committee were: Milt Rudo, Brunswick Corp.; Alberta E. Crowe, WIBC; Nick Mormando, Bowling Proprietors' Association of America; Roger Tessman, American Bowling Congress; and R. R. Woodruff, AMF, Inc. Alternates for this committee are: Helen Baker, WIBC, Les Unnerstall, BPAA, and Joe Antenora, Professional Bowlers Association.

Others currently serving on the board are: from WIBC, Gladys Banker, Agnes Duffy and Rae Fisk; from ABC, Wesley Bogle, Maurice Hayes, Edward Sweeney and Lowell Rothschild; from BPAA, Carl Hindel, Leo Grawey and Thomas Ogden.

At the annual meeting, the design presented was approved. It then had to go to the corporations donating the land for their approval. Since all of these integers have given their okay, the architects will get estimates from contractors.

It was hoped that we could have the ground breaking last fall and the grand opening in the spring of 1982, perhaps while our own tournament and convention were in St. Louis, but it doesn't look as though we will be able to keep to that time table.

The "I Beat Earl Anthony" contest for junior bowlers was so successful that it was decided to let adult bowlers get "in the act" with an "I Beat the Bowler of the Decade" contest. Women tried to topple more pins than Betty Morris, and the men tried to get a better score than Earl Anthony. Some up to date figures on this competition will be given to you at our annual meeting.

Brunswick Corp. had another fund raising event in all of its Brunswick operated centers last winter and the results of that will also be given at our meeting. Last year, Brunswick raised nearly $15,000 in league score competitions in its centers.

As of January 31, 1981, contributions had been received in the amount of $2,878,757.40. Still outstanding on pledges was an approximate balance of $116,837. The amount due on jewelry and decal consignments is down to $23,235. Incidentally, if your association is one of those that still has some funds on hand for decals or jewelry sold that you haven't turned in, it would be appreciated if you would send your check to NBHF/M.

We remind you again that everyone can have a part in building this National Bowling Hall of Fame and Museum.

Our overseas list of donors continues to grow with Heiichi Isawa, Japanese proprietor, increasing his gift to $12,000, the highest to date by one individual. Mr. Isawa said, "The Hall of Fame is a symbol of unity."

Saburo Kasuya, secretary of the Japanese Professional Bowlers Association, made a $200 leadership gift while in Milwaukee, Wis.

Various bowling writers' associations have given strong support to the fund, including $5,000 from the National Women Bowling Writers' Association.

The scorekeepers on the opening squad of the California Women's Bowling Association tournament donated the money they received for that chore.

One of the scorekeepers at the WIBC Championship Tournament in Seattle, Wash., turned her whole paycheck over to the hall of fame.

The list could go on for pages and pages and still would not include all of the various groups or individuals that have found their own way to raise money or have cooperated in promoting the fund raising projects suggested by the NBHF/M.

To all of you who have a right to be included in such a list, we say: Thank you! Thank you! Thank you! But we also say: Please don't stop! Please don't stop! Please don't stop!

International Competition

Baltimore, Md.
April, 1981

TO: The Board of Directors and delegates assembled at the 64th Annual Meeting of the Women's International Bowling Congress

Exciting things are happening in international competition and this report will include an update since our last meeting in Seattle, Wash., plus plans for the balance of the year.

The rest of the world appears to have caught up in many phases of the bowling game. Membership organizations are structured differently than WIBC and the American Bowling Congress, which enables their top bowlers to retain amateur status. Many of our bowlers, at the same level, turn to the professional ranks and cannot compete on international teams. WIBC members won many honors in tough competition and they are named here with each event.

Joan Hollis, WIBC member from Bermuda, won the crown in the first World Championship of Amateur Bowling at the finals in Vienna, Austria, with a 209 game against European Zone champion Irene Gronert of The Netherlands, who had 177. Joan had won her spot in the Vienna finals by winning the American Zone competition, held in Miami, Fla.

Joan Hollis is secretary of the women's association in Bermuda and Alberta E. Crowe, WIBC president, attended a dinner honoring her in Bermuda last September.

Esposito Enterprises, in cooperation with ABC, WIBC, Brunswick and the Federation Internationale des Quilleurs, conducted the event originally scheduled to be aired by NBC television in conjunction with the Moscow Olympics. This event had actually been moved from Moscow to Vienna because of technical problems, before the United States boycotted the 1980 Olympics in Russia.

The Tournament of the Americas is held each year in Miami, Fla., and was renamed this year in honor of the late Lee Evans, founder of the tournament. Several firsts and many new records were achieved in the 18th annual event held August 3-9, 1980. This was the first year that U.S. juniors won titles and, in addition, one junior bowler, Bruno Moys of Guatemala, rolled the first 300 game in tournament history.

WIBC members from Canada swept the women's events. Singles and all events titles were won by Frances Sanderson, Toronto. She finished with 3094 for 15 games in singles and 6531 for 33 games in all events. This included a record 678 series in singles. Frances teamed with Darlene Marston, also of Canada, for 2457 in the six-game women's doubles title.

Two U. S. bowlers garnered the major junior division titles. Julian Herradon of Miami won the boys' singles event with 3338 for 15 games, just one pin more than Bruno Moys of Guatemala. Julian also won the junior all events with 4446 for 21 games. Girls' singles and all events winner, Jeanne Arnette of Miami, who represented the U. S., also set a new record with 257 and 662 in games 10, 11 and 12. Her winning totals were 3011 for 15 games in singles and 3935 for 21 games in all events. Canada's junior team of Mitchell Yancovitch and Patricia Herder rallied from fourth to win the mixed doubles with 2250 for six games.

WIBC's representative in this tournament is the highest non-professional all events finisher in the current WIBC Championship Tournament.

The U.S. Team Trials will be held in Milwaukee, Wis., June 17-20, 1981, to decide the members of the U. S. team for the FIQ American Zone Tournament and World Games I.

The following are the 10 women from the 1980 WIBC tournament in Seattle who qualified (an equal number will qualify from the 1981 WIBC tournament): Dolores Gilchrist, Brookhaven, Pa., Donna Dillon, Irving, Texas; Lucy Giovinco, Tampa, Fla.; Ronnie Willets, Hicksville, N. Y., Annese Kelly, Brooklyn, N. Y.; Linda Newman, Tukwila, Wash.; Ann Bartok, Toledo, Ohio; Bunny Bumbaca, Santa Clara, Calif.; Pat Brown, Lewiston, Mont.; Fran Bill, Tacoma, Wash.

Mrs. Bill and Jean Havlish of St. Paul, Minn., tied for the 10th spot. Under our policy, this tie is broken by the high series bowled. Fran had rolled a 641 and Jean a 640. Thus, Jean became the alternate.

The two collegians will be Barbara Walker, San Jose, Calif., top qualifier in the Pabst National Collegiate Championships, and Terry Yoshihara of Tampa, Fla. who won the Women's National Intercollegiate Championships of the Association of College Unions-International on the WIBC tournament lanes in Seattle, Wash. Two 1981 collegians will join the top ten from the Baltimore, Md., WIBC Championship Tournament for a field of 24 women in the U.S. Team Trials. A cut will be to 16 for the match game format, which will be the same as in the FIQ world and zone tournaments.

The top six finishers will represent the United States in the FIQ American Zone Tournament in Winnipeg, Manitoba, Canada, and the seventh finisher will be competing for the U. S. in World Games I in Santa Clara, Calif.

The 16th annual AMF Bowling World Cup tournament was held in Indonesia's capitol, Jakarta, at the bowling center in the Kartika Plaza Hotel. After a grueling week-long event, WIBC member, Jean Gordon of Canada rolled a final series of 602 to give her

The FIQ World Congress and Tenpin Division Congress were held in Milwaukee, Wis., August 2-7, only the second time the bi-annual meetings were held in the United States. country its fifth World Cup title. Jean is a 29-year-old lab technician from Vancouver who averages 182 in league play. She had never been out of North America until she took off on the 15,000 mile adventure to the World Cup.

Miss Yoshihara, who represented the U.S., missed the final cut and finished a very respectful seventh.

The 1981 AMF Bowling World Cup will be held in Madison Square Garden in New York, N. Y., October 29 to November 3, 1981.

Winnipeg, Manitoba, Canada, will be the site of the 8th FIQ American Zone Championships July 25 to August 1, 1981. Mrs. Joan Esary of N. Vancouver, B. C., Canada, is president of the American Zone, having been elected for a four year term at the last American Zone meeting in Panama.

This tournament will include both women's and men's singles, doubles, trios and five-member team events, each with six games, plus a special individual event, bowled match-game style. After bowling 24 games, the top 16 will bowl 15 match games, with separate events conducted for women and men. Then the top four women and men will each bowl in stepladder series finals, where two one-game matches and one two-game match will decide both champions.

Tenpin bowling will be one of 17 sports to be contested at World Games I in Santa Clara, Calif., July 27 to August 1, 1981. Bowling will be at Brunswick Homestead Lanes under the auspices of FIQ. A separate report covers details on this event.

ABC and WIBC will host the 1981 FIQ World Congress and the Tenpin Division Conference in Milwaukee, Wis., August 2-7, 1981. FIQ presidium and Tenpin Division presidium meetings will be held August 3 and 4. The members of the presidiums are designated in their constitutions, and consist of representatives from the American, Asian and European Zones.

The four official languages of FIQ are German, French, Spanish and English and interpreters will be used in the meetings. The Tenpin Division Conference will be held August 5 and the FIQ Congress August 6. We could have representatives from 35 to 40 countries for these meetings. The joint international competition committee of ABC and WIBC will host the event.

All plans have not been completed but a get-acquainted party will be provided by Red Carpet Hotel. Brunswick and AMF will host dinners. We look forward to providing tours of Bowling Headquarters for this group. Interpreters will be available for the various languages. With World Games I in California and the American Zone Tournament in Winnipeg, we expect a much larger contingent of world bowling representatives in Milwaukee than usually attend these meetings.

World Games I

Baltimore, Md.
April, 1981

TO: The Board of Directors and delegates assembled at the 64th Annual Meeting of the Women's International Bowling Congress

World Games I opening ceremonies are July 24 in Buck Shaw stadium on the University of Santa Clara Campus, Santa Clara, Calif. Competition will be July 25 through August 2. There will be no closing ceremonies.

World Games, a concept headed by the non-Olympic sports of the General Assembly of International Sports Federations (GAISF), will include 14 participating international federations: badminton, baseball, body-building, bowling, boxing, casting, karate, powerlifting, roller skating, softball, takewondo, tug-of-war, water polo and water skiing. Racquetball, trampoline and fin swimming will be demonstration sports. Boxing is the only Olympic sport included in World Games I, and other Olympic sports can be included in future World Games.

The World Games, which will be held every other year, evolved from a need for international sports competition. The Games format came about following a 1974 meeting of GAISF in Switzerland. At that time, the Olympics had grown so large

Mary Lou Vining of Inver Grove Heights, Minn., (right) represented U.S. women at World Games I, winning the bronze metal in the singles event. Porncip Singha of Thailand (left) won the silver and Liliane Gregori of France took the gold.

and expensive that inclusion of new sports was unfeasible. World Games was established to neither compete nor to conflict with any existing international athletic competition.

Conversely, the World Games will expand the scope of international sports and will contribute to the individual world-wide sports federations in a manner that has heretofore been impossible. The format, including qualification of teams and athletes for each participating sport, is determined by the individual sports federation. Participating sports federations make up an executive committee which is responsible for the World Games.

Politics will not be a part of the World Games. Teams will be housed at the University of Santa Clara by sports, not by countries. No national anthems will be played and flags will not be present in the opening ceremonies, except for the federation flags and World Games I flag. Only existing athletic facilities will be utilized for competition. World Games will not require the host country to build an athletic complex for specific Games use. It is expected that the site of World Games II will be decided in meetings in Santa Clara by the international sports federations.

All bowling competition will take place at Brunswick's 32-lane Homestead Lanes in Cupertino, Calif. The bowlers arrive on Sunday, July 26. Monday, July 27, there will be practice sessions for all nations with actual competition starting on July 28, and ending with finals on August 1. The finals will be televised, but the schedule is not available at this time. The events will be men's and women's singles and mixed doubles.

Singles will be the double elimination format used in the American Bowling Congress Masters and the WIBC Queens. The qualifying round will be two six-game blocks bowled on the same day. If there are more than 32 in the field, it will be cut to 32 for match-game play with two games per match. Should the field be 32 or less, the cut will be to 16 for the match-game play. The two-game matches then proceed with winners meeting winners and losers meeting losers, according to the prearranged format, until there are two men and two women left who have each lost only one match and one man and one woman who have not lost any matches.

The bowlers in the loser's bracket will bowl a two-game match against each other with the loser qualifying for third place. The winner in each case will then play the person who has not lost a match. If the person from the winners' bracket wins the two-game match, that person is the champion and wins the gold medal. However, if the person coming from the losers' bracket wins the two-game match, then one more complete game will be bowled to decide the gold and silver recipients.

In mixed doubles, six games will be bowled by all contestants and then the cu[illegible] will be made to eight teams. At this time all pin fall will be dropped. Three more games will be bowled and the field cut to four teams, again dropping pin fall. Three more games will be bowled by these four teams and cut to two, again dropping pin fall, with the final two to bowl a one-game match for the mixed doubles championships.

Federation Internationale des Quilleurs, under President Frank K. Baker of Milwaukee, Wis., is the governing body for bowling in World Games I. George Sarahete of Helsinki, Finland, general secretary of both the FIQ and its Tenpin Division and Eero Routamo, FIQ Tenpin Division president of Vaasa, Finland, will be in Santa Clara to oversee the tournament. The ABC and WIBC organizing committee for bowling in World Games I will coordinate all details with FIQ, World Games, Brunswick Homestead Lanes and arrange for all necessary local assistance for the events. Agnes Duffy, WIBC vice president, was elected chairman and Elaine Hagin, WIBC director, together with Irma Boyd, WIBC field representative, are working with ABC's committee of: George Kampfen, past president; Glenn Weaver, director and Robert Wiley, field representative.

Brunswick's staff at Homestead Lanes will supplement the workers from local men's and women's associations who have volunteered to assist.

The other 16 sports are scheduled July 24 through August 2, with most requiring two or three days for the competition. Awards will be Olympic type used in most world competition. President of the World Games is Dr. Un Yong Kim, Seoul, Korea; secretary-general is Don E. Porter from Oklahoma City, Okla.; and host liaison director is Earl Carmichael, director of parks and recreation for the City of Santa Clara. All international sports federations represented are working together to insure success for World Games I and bowling is proud to be included in this competition.

Many youngsters first learn about bowling as a member of the American Junior Bowling Congress from coaches such as this one, dedicated volunteers enthusiastic about working with the "kids."

AJBC

Baltimore, Md.
April 28, 1981

TO: The Board of Directors and delegates assembled at the 64th Annual Meeting of the Women's International Bowling Congress

AJBC looks forward to the 1981-1982 bowling year, and to the future of the programs for all junior bowling! An exciting promotion has been designed for the new year and we are calling it "Junior Bowling Poppin' Fun." With cooperation from association leaders, proprietors, parents, coaches and the "kids," it can only reap success and bring many more youngsters into the bowling world.

It is designed to bring more boys and girls into your junior bowling program, provide interesting and exciting events for all your junior bowlers, involve parents of junior bowlers in your junior bowling program and increase open play.

The format includes plans for the first four weeks the youngsters attend bowling sessions and then goes into special fun weeks, like: Halloween week, Gosh-I'm-Awful week, Thanksgiving week, Christmas week, Pop Day, and so on. The motive is to create fun in our great game of tenpins! Contact AJBC headquarters for this excitng program.

In addition, two support items have been prepared and will be a big assist in all junior programs. Namely, they are AJBC Junior Bowling Parent Orientation Program, and Parent Guide To Junior Bowling. These materials give guidelines on holding meetings with parents and coaches, giving them the opportunity to meet and exchange thoughts and ideas about the junior bowling program. Coaches will better understand the concerns of the parents and in return, parents will be made aware of the objectives and goals of the program.

In addition to approval of the above promotional program, the AJBC Board of Directors at their annual meeting held February 20, 1981, took the following action:

1. Changed Article VIII, Section 4, last sentence to read as follows:
   He/she shall arrange for at least two signatures on all withdrawals from the bank account set up in the name of the association and shall verify the balance quarterly unless the association board of directors specifies a more frequent verification.
2. AJBC Rule 106 and 107 was changed in respect to the AJBC membership fee. The fee will be $1.25 inserted in place of the $1 fee, with a maximum of $2.50 total.
3. AJBC Rule 110 (b). Changed to allow for utilizing league scores for recognized charitable organizations, AJBC projects, etc. Also, eliminate the requirement that the use of league scores be approved by AJBC.
4. Rule No. 212, changed to read:
   When a bowler has more than one sanctioned league average, and the individual average is used to determine the handicap or classification of the bowler, or their team, the highest sanctioned league average based on a minimum of nine games shall be used unless the tournament management adopts a specific average rule otherwise.
5. The following officers were elected for the 1981-82 season: president, Gladys Banker, Charles Town, W. Va.; vice president, Preston Thomas, Somerset, N. J.; secretary-treasurer, Kenneth Hurley, Greendale, Wis.

A program is being planned for the junior bowlers in another fund drive for the National Bowling Hall of Fame and Museum. It has long been the desire of AJBC to reach the $1 million goal for their contribution to NBHF/M. To date, the figure is approximately $700,000

As co-sponsors of AJBC since 1963-64, WIBC and ABC have jointly contributed $1,420,000 to date (report written March 1, 1981). WIBC anticipates additional funds may be needed to complete the year, with $35,000 of the $75,000 budgeted figure per organization paid in this 1980-81 season.

The 1979-80 season reflected a decrease for the second year and membership was down 1.51 percent over the previous season as of January 31, 1981. We need you, the adult leaders, to help promote all the programs for the youth of today.

I wish every delegate would have the opportunity to spend a couple of days with the men and women who serve on the AJBC board as representative directors since these folks are those actively working on the local and state level with the "kids." They create a tremendous excitement and enthusiasm working with the youngsters. They are dedicated volunteers. We extend appreciation and are proud to acknowledge them as fine "role models" for our youth.

Four ladies and four men are selected each year. Serving for the 1980-81 season are: women, Area 1, Mrs. Miriam Oland, Middletown, Md.; Area 2, Mrs. Judy Dye, Omaha, Neb.; Area 3, Mrs. Charlotte Wilkins,

Shelley Johnson of Toledo, Ohio, was the winner of the 1981 Alberta E. Crowe Star of Tomorrow Award. She received the award at the WIBC Annual Meeting in Baltimore, Md.

Miami, Fla.; Area 4, Mrs. Margaret Brown, Colma, Calif., and men, Area 1, Henry Feinberg, Babylon, N.Y.; Area 2, Jim Pellerito, Grand Rapids, Mich.; Area 3, Robert J. Jarrett, Albany, Ga.; Area 4, Jim Canonic, Sparks, Nev.

The selection of an outstanding young lady and young man is made yearly to receive the prestigious Alberta E. Crowe and Chuck Hall Star of Tomorrow awards. The recipients will be presented their awards at the WIBC and American Bowling Congress conventions.

The Alberta E. Crowe Star of Tomorrow awardee is Shelley Johnson, 18 years of age, from Toledo, Ohio. Shelley began AJBC bowling in 1974 with an average of 111. Today she is averaging in the 180s in two traveling leagues. Shelley travels 200 miles round trip to Detroit to compete in the Ward Bonanza Jr. Traveling League. In addition to bowling honors and a long series of tournament titles to her name, she has received high recognition for outstanding leadership and sportsmanship.

Drew Barthle, 19 years of age, from Tampa, Fla., will receive the Chuck Hall Star of Tomorrow award. Drew bowls in two leagues and is carrying averages of 206 and 203. Drew organized a junior/adult church league and serves as a student coach for the juniors. His high games are 286 and 279 with a 769 high series. He excelled in high school having received three full college scholarships, vice president National Honor Society, president National Math Honor Society and won 20 medals for saxophone musical ability.

Terry O'Brien from Brooklyn, N.Y., who was selected the first AJBC National Junior Leader of the Year set forth a tremendous example during his reign. Many compliments were received on his presentation in Seattle, Wash., last year and he has visited many associations and helped them start junior leader programs.

Barry Watts, 17 years of age, who hails from Gibsonburg, Ohio, was selected by the eight area representative directors to receive the distinguished honor this year. Barry is an exceptional young man with tremendous drive which keeps him going in a large number of activities. He was a prime mover in the organization of the Greater Lorain Junior Leaders. He serves as president of the Ohio State Junior Leaders.

Barry is a student coach, a certified official scorekeeper and actively coaches a league of 8-14 year olds each Saturday morning. He has organized tournaments and served on a multitude of committees in relation to junior bowling.

Sincere thanks and appreciation is expressed to Charles (Chuck) Hall, AJBC manager, for his more than 20 years of dedication to AJBC. Further, we acknowledge and extend thanks to all the AJBC staff as well as all the folks in the local and state junior bowling associations who continue to maintain their tremendous interest in the promotion of junior bowling.

TO: The Board of Directors and delegates assembled at the 64th Annual Meeting of the Women's International Bowling Congress

The 1979-80 season was the most successful in the three-year history of the WIBC/ABC collegiate division! Membership showed an increase of 12 percent and there was a 19.3 percent increase in the number of leagues.

The WIBC and ABC collegiate committees met in June, 1980, with the collegiate advisory committee. The collegiate advisory committee is made up of representatives of the Association of College Unions-International (ACU-I), the Association of Intercollegiate Athletics for Women (AIAW), the National Intramural Recreation Sports Association (NIRSA), the National Junior College Athletics Association (NJCAA) and the National Association for Girls and Women in Sport (NAGWS).

Reports of the advisory members indicated that the biggest problem encountered with intramural bowling was the shortness of the semesters and quarters in developing a league. However, it was felt that the materials provided by the collegiate department greatly aided intramural directors who may operate as many as 40

different sports. Comment was made that many potential intramural bowlers lacked the basic skills, thus more emphasis should be directed toward instruction. It was indicated that dollars in athletic departments are getting tighter and coaches of sports such as bowling are difficult to justify.

The representative from NAGWS currently edits the NAGWS Bowling Guide which is utilized by many colleges to organize bowling on their campus. She felt the input from the WIBC/ABC collegiate committee meeting would be an important factor in her completed publication.

During the 1979-80 season, an estimated 300 to 400 colleges conducted campus leagues or tournaments that were not sanctioned. By contacting proprietors near college campuses, local associations can determine if college leagues are organized. If intramural or other types of campus bowling leagues exist, the local association should try to discuss sanctioning the event. Prior to contacting the college, the local association may wish to contact the collegiate division to obtain an information kit to assist in its presentation. Please do your local bit and help us to get collegiate leagues sanctioned.

Many colleges do not conduct intramural leagues, they often hold annual tournaments for their students. Local association officers should urge campus tournament coordinators to sanction these events. Although a tournament sanctioning privilege does not span an entire season, the high score protection alone may be worth the effort. In fact, there were more 300 games rolled in unsanctioned campus tournaments than in sanctioned events last season.

Effective with the 1980-81 season, collegiate national dues increased from 75 cents to $1. Of course, a few sanction applications have been received with dues based on the 75 cents membership fee, but when these campus representatives were reminded of the increase, the additional money was forwarded promptly.

As of January 30 (when this report was prepared) membership was running slightly ahead of last season. Projections are that the 1980-81 season will show an increase in membership. This is a happy report considering the large decline in membership that occurred when dues were increased four years ago. A combined effort on all levels by the bowling family should overcome any potential stumbling blocks and enable the collegiate division to enjoy another successful year.

The Pabst Brewing company completed its third year as co-sponsor of the National Collegiate Championships. The 1980 tournament was the most successful of the six conducted so far by the National Bowling Council. The televised finals were aired on 140 stations. Local media coverage, both electronic and print, was excellent. The crowds that filled Red Carpet Celebrity Lanes in Milwaukee, Wis., witnessed exciting and enthusiastic competition, as the Wichita State University men's team and the Erie Community College women's team won the gold medals. These two teams survived a field of more than 700 teams which competed in 24 sanctioned conferences and nearly 100 intercollegiate tournaments.

Selected by a vote of the coaches in each division on ability, team leadership, sportsmanship and enthusiasm, the women's all-tournament team was: Valerie Bright, Penn State University; Lori Mostoller, S.U.N.Y. - Buffalo; Cindy Shea, Erie Community College; Gail Simmons, S.U.N.Y. - Buffalo; Deerie Swanson, University of Wisconsin - La Crosse; Barb Walker, San Jose State University. The most valuable player award went to Barb Walker. This honor carried the privilege of competing in the U.S. Team Trials, which determine the members of the six-woman team for the Federation Internationale des Quilleurs American Zone Tournament in Winnipeg, Canada, July 28 to August 1, 1981.

Pabst notified NBC by letter June 18, 1980, that it will not continue to co-sponsor the National Collegiate Championships. NBC attempted to secure another sponsor but time was limited and most contacts had firm budgets already set. NBC will go ahead with the 1981 tournament on its own for everything other than television coverage, which may or may not be carried by ESPN cable sports network. Solicitations for a co-sponsor of the 1982 event are in the planning stages.

The collegiate championships are open to all five-woman and five-man teams on both the college and junior college level. Twenty-four teams (twelve women's and twelve men's) will be selected to make the all-expense paid trip to the finals. Sectional roll-offs will be held April 3 - 4 in the following areas: Baltimore, Md.; Atlanta, Ga.; Knoxville, Tenn.; Saginaw, Mich.; Champaign, Ill.; Minneapolis, Minn.; Overland Park, Kan.; Fort Worth, Texas; Boise, Idaho; Phoenix, Ariz.; San Francisco, Calif. area; and Springfield, Mass.; or New Haven, Conn.

The National Collegiate Championships will be held in St. Louis, Mo., at Tropicana Lanes May 7 - 9, 1981. We hope that members and friends in the St. Louis area will be on hand to watch some of the competition. We are sure you will be well rewarded for your time and support.

During the course of the year, local association presidents and secretaries have received information sheets about collegiate bowling along with

regular mailings from Bowling Headquarters. Articles also appear regularly in *The Woman Bowler*. If you have questions or need additional information regarding collegiate activities in your association, please contact the department manager at Bowling Headquarters in Greendale, Wis.

Although the collegiate division is the smallest group, both in age and size, of the membership organizations, the potential for growth in the immediate future is limitless. Bowling is a lifetime sport. Let's keep collegians aware of this fact!!

Senior

Baltimore, Md.
April 27, 1981

TO: The Board of Directors and delegates assembled at the 64th Annual Meeting of the Women's International Bowling Congress

They are sometimes called the elderly, aged, and old, but we prefer to call them "prime timers" — our seniors.

For the past several years, the senior committee has studied ways to upgrade our senior program, which has proved to be interesting, educational, and at times, surprising.

Did you know there are 45 million seniors and only two million league bowl? The senior population offers a prime market for bowling. With so many of our bowlers changing to the role of working women, we're missing a golden opportunity if we don't promote in this untapped market to help fill voids in our leagues.

To aid the proprietor, the National Bowling Council has prepared for sale a senior promotion package that will be of benefit in attracting seniors. To assist all local associations with promoting senior leagues, specially prepared kits have been forwarded to them by WIBC. We cannot emphasize enough the need for local leaders to work with proprietors in reaching the seniors in your area and introducing them to the sport of bowling.

There have been two significant changes made in the senior program thus far:

1. Emblem awards have been designed for two new categories, single games 75 or more pins over average and three-game series 125 or more pins over average. These awards, which replace the 225 game and 250 game awards, can be earned by WIBC senior league members at least 55 years of age for accomplishments in sanctioned senior league or tournament competition.
2. Legislation approved by this delegation last year specifies that "a senior mixed league may by rule permit members' spouses under the age of 55 to compete in that league, but such persons will not be issued senior membership cards or qualify for WIBC senior league individual awards."

One of the major topics of discussion by the senior committee this past year has been a national seniors tournament. With local associations already active in promoting senior leagues, the next step with tremendous potential would be a state seniors tournament, with the climax being a national seniors tournament. A state seniors tournament would provide our members with the opportunity to compete in a tournament with bowlers in their own age group and receive appropriate recognition for their accomplishments. It would also provide a firm foundation on which to build a national seniors event.

The senior committee recommended that WIBC prepare and distribute suggested state tournament formats to assist those states who do not presently conduct a seniors tournament. We are extremely pleased to learn that some states will be hosting their first state seniors tournament this season. Once the foundation is established at the state level, it is our hope that our dream of a WIBC National Seniors Tournament will become a reality.

At the close of the 1979-80 season, WIBC's senior division reflected an increase over the previous season as follows:

Senior Leagues	1979-80	1978-79	Pct. Increase
[illegible]	[illegible]	[illegible]	[illegible]
[illegible]	[illegible]	[illegible]	[illegible]
[illegible]	[illegible]	[illegible]	[illegible]

Thanks to all of you, the hard work you are doing to promote senior league bowling is begining to show. We're pleased to report that as of February 10, 1981, there has been a 27 percent increase in senior leagues, and there have been 280 awards issued for 75 pins over average in a game and 131 issued for 125 pins over average in a three-game series. Keep up

Young bowlers like these will soon be members of the Young American Bowling Alliance when the new organization uniting the American Junior Bowling Congress and Youth Bowling Association begins operating next year.

the good work.

Staff assistance to our committee has been outstanding, and we thank you for all the many hours you have devoted to the senior program.

We want to especially thank President Crowe not only for the help and support she has given the senior committee, but for her enthusiasm, loyalty and dedicated service which has been an invaluable contribution to the bowling game and its members.

Unification

Baltimore, Md.
April 28, 1981

TO: The Board of Directors and delegates assembled at the 64th Annual Meeting of the Women's International Bowling Congress

At the 1980 WIBC Annual Meeting in Seattle, Wash., delegates approved a proposal organizing junior and youth bowlers into one unified program to serve youngsters through grade, high school and college years.

This unified program was also adopted at the Bowling Proprietors' Association of America convention in June, 1980, and deferred by American Bowling Congress delegates in March 1980. The ABC's action in Memphis, Tenn., on March 27, 1981, is covered in an addendum report.

Conferences on unification between leaders of WIBC, ABC and BPAA, produced agreement on age divisions, an awards program, various aspects of organizational structure and development of bylaws for a single group known as the Young American Bowling Alliance.

Five age groups have been established but individual bowling centers or leagues, by rule, may determine the ages within their program or league. The age divisions are as follows: Bantams — 8 years of age and under; Preps — 9-11 years of age; Juniors — 12-14 years of age; Majors — 15-18 years of age; and Seniors — 19-21 years of age.

While it is recommended that the above formula be used by all programs, it is not mandatory. For example, the 19-21 group may be excluded if desired.

Approval of the awards program includes identical emblems and scoring levels for the Major and Senior girls and the Major and Senior boys. These will carry a Major/Senior designation.

Emblems will be awarded in steps of 25 as follows: Bantams, for games of 100 through 200; Preps, 150 through 250; Junior girls, 175 through 275; and Junior boys, 200 through 275.

For Major/Senior girls, the levels will be games of 200 through 275; and for boys, 225 through 275. Games of 300, 299 and 298 will be recognized with emblems not designating age groups.

No age designation will appear on emblems awarded for high series except for the Bantam division, which will be based on two games. Bantam awards will be for series ranging from 175 through 350 in steps of 25 pins. If a Bantam league bowls three games, only the first and second games qualify.

The series awards for the other age-groups, also in steps of 25, are: Preps, 425 through 700; Junior girls, 475 through 700; Junior boys, 550 through 700; Major and Senior girls, 500 through 700; and Major and Senior boys, 600 through 700. A 750 series award is also available in each age group.

Awards for 800 series will carry no age designation, nor will All Spare, 7-10, Big Four, 100 Pins Over Average, and Triple Score emblems. Two identical games (duplicate in lieu of triplicate) in the Bantam division will be recognized with an emblem.

The usual league awards for: champion, high average, high series, high game and most improved average will be continued. Mixed leagues will receive an extra set of the four individual awards. New certificates will be developed for special merit and last place teams.

A national program similar to the current AJBC "Stars of the Lanes" will be developed for handicap and actual scores in all divisions.

Committees have been appointed for finance and budget, legislative and bylaws, and promotion and public relations. Separate budgets are being planned for collegiate and youth divisions as well as promotion. A three-member committee, with one member from each organization, was also appointed to review the bylaws prepared by counsel.

Teams of committee and staff members from ABC, WIBC and BPAA will be available to visit areas of the country, which may require or request further

consultation on institution of the changes brought about by the new single youth organization, Young American Bowling Alliance (YABA).

Following the direction of the Seattle delegation, the unification committee took under consideration the points raised by the delegates, and attached to this report are those questions and the answers.

Questions and answers regarding unification:

Q. *What kind of representation will those working directly with youngsters have in the new program?*

A. The present bylaws do allow for an increase in the number on the board, but it may be that, in the future, the area directors could be added, although that is not contemplated for now. At the present time, those directly involved in operating the program with the young bowlers are being used on committees. One of these committees recently did an extensive study on the awards and rules. The report of that committee was given to the entire unification committee and was accepted with some very minor changes. It is contemplated that this type of committee, to review the rules and the program, will be continuing.

As stated in section 1d of the adopted resolution, the board of directors will be the policy making body and will establish a budget, set dues and so on. The board can appoint special committees comprised of people not on the board to review rules, awards, programs, and the like, just as in the committee referred to above.

Q. *What is meant by "offices" instead of one "office?"*

A. The "offices" from which the unified program will be directed will be those presently occupied by AJBC, in the same building with WIBC and ABC at 5301 South 76 Street, Greendale, Wis.

Q. *Who appoints the executive director of the Young American Bowling Alliance?*

A. The board of directors appoints the executive director who will be the principal administrative officer of YABA.

Q. *Reconsider the name.*

A. The name was selected by the American Schools Association following a national contest as authorized at the ABC, WIBC and BPAA conventions. Since this has been done, that name would be the name of the new organization.

Q. *Where did the budget attached to the resolution come from?*

A. Salaries projected in the 1979-80 AJBC budget were $262,100, which is only $8,900 less than the salary expense projected for the YABA budget. In fact, the total estimated budget presented is only $40,000 higher than the 1979-80 AJBC budget. The estimated income is approximately $230,000 higher than that which was projected for the 1979-80 AJBC budget. The projected one million membership may be a little high, but perhaps it could be reached if all mergers were working and promoting together. The budget was prepared by staff and accepted by the unification committee.

Q. *What are the rules for making membership to headquarters?*

A. There are presently two different methods of handling membership at the local level, one for association secretaries acting on behalf of AJBC and one for self-processing associations. All processing units will have to use one of these designated procedures.

Q. *Will BPAA process members out of non-proprietor houses?*

A. Under section 6b of the resolution it was stated that the processing units would remain the same unless there is an agreement at the local level for change.

Also, in 6d it was stated that, if there is to be a change in the membership processing at the local level, it must be approved at the national level before it can be put into effect. The question, therefore, would be answered if there was a change suggested by the local people.

Q. *Where there is dual sanctioning, our proprietor has given the proprietor the right to choose which route to go for sanctioning?*

A. It has been agreed that this should be changed and, therefore, it was decided that where there has been dual membership processing in a bowling center, the processing unit to be used will be agreed on by the people involved with youth bowling in that establishment.

Q. *The collegiate division, operating as a separate division and processing memberships separately, is not togetherness.*

A. The junior memberships now come into the national headquarters through a local junior association and collegiate memberships come directly from the collegiate representative on campus. No change is contemplated in that procedure at this time. The two divisions would operate under the same name, YABA, out of the same national office, under one executive director, but with different awards.

Q. *Has any consideration been given to the tremendous span of growth rates in the 15 through 21 age grouping?*

A. The special committee on awards (on which there were several coaches) recommended that the group be broken into majors, 15 through 18, and seniors, 19 through 21. This committee also recommended that each bowling center and/or league be allowed to determine what age groups could participate in their program or league, and that they could by rule exclude 19 through 21 year-old individuals. This was part of the awards program accepted and approved by the entire unification committee.

Q. *We feel that the Pee Wee emblems now available for purchase should be given free to the Pee Wee bowlers.*

A. Pee Wee awards were not among those recommended by the previously referred to committee. That committee did think there should be some purchasable emblems made available, but nothing was decided on this and it is still under consideration.

Q. *What is the approximate cost of phasing out emblems and so on?*

A. It is impossible to say what the cost will be, but with the help of all our junior associations we hope to keep it very low. We will be asking those associations to make a determination on the number of awards it needs until the initiation of the new program. If the amount on hand is more than they need, they should return the difference to AJBC and get credit. Those returned to us can then be sent to associations who are running short. We will be extremely careful on any re-ordering that has to be done at AJBC headquarters. We will try, with your help, to keep the cost at a minimum. And any cost will be borne by the national office and not by any local association.

Q. *Who will govern the city tournament? Who will govern the state tournament?*

A. If there is a state junior association and a state processing unit, they each may wish to continue conducting their own tournaments. However, if they want a state championship tournament under the name of YABA, they must operate it jointly or jointly determine the rules. For instance, each could hold a separate tournament from which a specified number would go to a roll-off, which would determine the YABA state champion. The same procedure would be used for city tournaments.

Condensed Minutes

MONDAY MORNING SESSION

The 64th Annual Meeting of the Women's International Bowling Congress convened at 9 a.m., Monday, April 27, 1981, in the Baltimore Civic Center, Baltimore, Md., President Alberta E. Crowe, Liverpool, N.Y., presiding.

A colorful parade of flags honored President Crowe for her 42 years of service to WIBC. She had announced at the 1980 Annual Meeting that she would not be a candidate for re-election as president, concluding 21 years in that office. The Flag of the United States, the Canadian Flag, the WIBC Flag and the flags of the 50 states were carried in procession by state delegates.

Mrs. Barbara Rapp, administrative assistant to President Crowe, commented on the significance of the parade of flags, only the third such ceremony at a WIBC Annual Meeting, in paying tribute to Mrs. Crowe. She then introduced the flag bearers. (See complete text of Mrs. Rapp's comments and the list of flag bearers following this section.)

The invocation was given by the Very Rev. Gerald J. Szymkowiak, pastor of St. Michael's Catholic Church, in Baltimore. Joseph DiCara of Baltimore sang the Canadian National Anthem. Juanita Booker of Paso Robles, Calif., sang the United States National Anthem, and everyone joined in reciting the Pledge of Allegiance to the Flag of the United States of America.

President Crowe welcomed the delegates to Baltimore, which she called "this great historical city of our United States . . . an exciting mixture of the old and the new."

On behalf of the State of Maryland, State Senator Edward Thomas, Frederick, welcomed WIBC with personal greetings from Gov. and Mrs. Harry Hughes.

Baltimore Mayor William Donald Schaefer, telling the delegates, "I am pleased you are here," officially welcomed them to the hostess city. "I have never seen a more colorful or more enthusiastic group," he said. He then presented Mrs. Crowe with a key to the city.

He presented a proclamation designating the day as Women's International Bowling Congress Day in the county and bestowed upon Mrs. Crowe an honorary membership in the Baltimore County Chamber of Commerce.

Mrs. Barker addressed the delegation saying, "The Maryland Women's Bowling Association and all its 37,000 members surely are proud to have you here in our state." She congratulated the Baltimore WBA for its "hardworking efforts," and asked the entire Maryland delegation to stand and be recognized.

President Crowe introduced the WIBC Board of Directors. She said, "I acknowledge with deep appreciation their dedicated and cooperative efforts in deciding the policies which guide our organization."

Kenneth B. Hurley, American Bowling Congress executive secretary-treasurer and president-elect of the newly formed Young American Bowling Alliance, spoke to the delegates and encouraged cooperation between ABC and WIBC, specifically in getting the new youth bowling organization underway. Mr. Hurley also emphasized that women's and men's associations should cooperate in stimulating senior bowling.

Bernard J. Rudo, National Bowling Council president, narrated the NBC presentation assisted by Lance Elliott, executive director of NBC.

They reported on studies by NBC's long range planning committee that showed a growing number of people in the 35 to 44 year old and seniors age groups as well as growth in the number of working women. NBC's response to this for the 1980s, they said, will be strong emphasis in bowling education; public relations, bowling marketing and advertising.

They outlined that NBC efforts during the past season in each of these areas had produced: more than 1,000 certified instructors; national media exposure on such television shows as "Chips," "Good Morning America," "That's Incredible," and "The Mike Douglas Show;" in magazines like Seventeen and Sports Illustrated; and in advertising spots such as the recent "Every Other Game Free" promotion.

President Crowe announced that the honorary chairman for the BVC Fund for 1981-82, would be professional bowler and ABC Hall of Fame inductee, Nelson Burton, Jr.

Frank Esposito of Esposito Enterprises, producer of the televised finals of the Avon/WIBC Queens Tournament, announced the 1981 Queens would feature a $60,000 prize fund, double the 1980 total. He also read a letter from William J. Corbett, Avon public relations director, in which Mr. Corbett said, "Avon's goal is to give women everywhere a chance to showcase their talents and make the most of their abilities. It is with high expectations that we approach the 1981 Queens Tournament."

President Crowe introduced other NBC representatives present: Keith Saffer, director of advertising and public relations, NBC; Jack Graziano, national promotion manager, Bowling Products Group, AMF; Alfred Spanjer, director, advertising and promotion, AMF; Aaron Desavis, president, Brunswick Division; William Kratzenberg, director of operations, Brunswick Recreation Centers Division.

Wapensky, executive director, BPAA; Dick Richards, chairman, BPAA executive committee; Harry Wells, BPAA vice president; and Les Goldberg, president, Bowl America, whose Odenton, Md., center was hosting the 1981 WIBC Championship Tournament team event.

Charles Hall, manager, American Junior Bowling Congress, announced a "Shoot A Thon" contest for junior bowlers during the coming season. He also announced a new program called "Junior Bowling Poppin' Fun," designed to attract new junior members, and the development of a new parent orientation program. He concluded by calling for continued cooperation on the Young American Bowling Alliance project.

President Crowe introduced the 1981 Alberta E. Crowe Star of Tomorrow Award winner, Shelley Johnson, Toledo, Ohio, and presented her with her award.

Mr. Lacy, BPAA president, spoke on the issue of lane blocking saying, "All of us in the industry must renew our efforts to bring back credibility and honesty to our sport." He also stressed the importance of working together on the junior bowling unification program.

Jacobson, Playa Del Rey, Calif., winner of the 1967 WIBC team title and the 1972 WIBC singles title with a tournament record 737 series. Parade of Flags, Flag Bearers

(A parade of flags highlighted the opening of the 1981 WIBC Annual Meeting. Mrs. Barbara Rapp, administrative assistant to President Crowe, planned the ceremony assisted by Mrs. Gladys Banker, WIBC vice president, and Mrs. Anne Simone, WIBC sergeant at arms. Mrs. Rapp's commentary on the significance of the parade, including the list of flag bearers, follows.)

"For the past year, ever since Alberta announced her intention not to seek re-election, we have been preparing for this moment, considering how we could make a fitting remembrance for her at this Annual Meeting, for her forty-two years of service to WIBC. Just to acknowledge her many accomplishments would leave so much unsaid.

"Alberta's dedication and devotion to bowling have always spoken eloquently of the deep love she has for the sport and for its people. So often Alberta has portrayed her affection here at the WIBC Annual Meeting to all of us, Board Members and delegates alike, who have become a special family to her.

"As only the fourth president in WIBC history, the WIBC Board of Directors felt the occasion of her leaving office rightfully called for a rare and unique ceremony. And so this Parade of Flags is a tribute to you, Alberta, and to all you have meant to WIBC. The Parade of Flags has been used in only two previous special Annual Meetings for WIBC, the first in 1967 for WIBC's golden anniversary, and the second in 1976 honoring our nation's bicentennial.

"As the flag bearers carry their flags for a third time across the convention floor, we hope this is an expression to you, Alberta, of our appreciation and gratitude for the traditions and high example you have set for us. You have indeed left us a great legacy and you have also shown us the way to continue on it.

"Accolades are given to the many individuals who assisted in the work and planning of this parade, especially Gladys Banker, Annie Simone and Flora Mitchell. And we thank the state leaders here on the stage who were so happy and proud to join in this special occasion."

NOTES TO FINANCIAL STATEMENTS
July 31, 1981 and 1980

1. Summary of significant accounting policies

The significant accounting policies followed in the preparation of the financial statements are summarized below.

Basis of presentation — Women's International Bowling Congress, Inc. (WIBC) is a nonprofit organization, organized in 1916 and incorporated in 1919 under the statutes of the State of Illinois. It engages in the promotion and supervision of the game of American tenpins for women. The accounts of WIBC are maintained on the accrual basis.

Income taxes — WIBC is exempt from federal income tax under Section 501(c)(4) of the Internal Revenue Code in accordance with an exemption letter dated March 28, 1972. WIBC is not exempt from personal property tax in the State of Wisconsin.

Materials and supplies inventory — Materials and supplies inventory is valued at the lower of cost, on the first-in, first-out basis, or market.

Depreciation — All fixed assets are depreciated over their useful lives using the straight-line method.

	Years
Furniture and fixtures	10
Office equipment	10
Vehicles	4

Subscription revenue — Membership dues in the amount of $1.50 for each league sanctioned by WIBC are allocated to subscription revenue of "The Woman Bowler" magazine.

Retirement plan — WIBC has a qualified noncontributory retirement plan which covers all eligible full-time employees. The plan was amended effective June 1, 1975, to establish conformity with the Employee Retirement Income Security Act of 1974.

The total pension expense for 1981 and 1980 was $116,225 and $116,207, respectively, which includes amortization of past service costs. The Company makes annual contributions to the plan equal to the amount accrued for pension expense. WIBC elected the lump-sum method of funding the initial past service liability of $219,634 at the establishment of the amended plan. The prepayment was paid to the Trustee in June, 1975, and is being amortized over ten years.

A comparison of accumulated plan benefits and plan net assets as of the most recent valuation date is presented below.

	June 1, 1980
Actuarial present value of accumulated plan benefits:	
Vested:	
Retired participants	$ 413,799
Active and terminated participants	397,767
Total vested	811,566
Nonvested	1,290,016
	$2,101,582
Net assets available for benefits	$1,022,505

The weighted average assumed rate of return used in determining the actuarial present value of accumulated plan benefits was 6.5 percent.

3. Commitments and contingent liabilities

A contract with ABC to guarantee payment of any deficit in the operations of American Junior Bowling Congress, Inc., continues in effect. Payments of such deficits are divided equally between WIBC and ABC. This agreement provides for automatic renewal on August 1 from year-to-year unless either party shall, at least 90 days prior to July 31, notify the other party to the contrary. Payments of $35,000 were made by WIBC under this contract for each of the years ended July 31, 1981 and 1980. WIBC has authorized up to an additional $50,000 in fiscal 1982.

WIBC has authorized a contribution of $250,000 to National Bowling Council for fiscal 1982, the same amount paid for the years ended July 31, 1981 and 1980, respectively. The 1982 payment is contingent upon the authorization of like contributions from ABC, Bowling Proprietors Association of America (BPAA), AMF, Inc., and Brunswick Corp.

WIBC has authorized a subsidy of $25,000 to Young American Bowling Alliance for start-up expenses, provided ABC and BPAA make similar commitments.

The Board of Directors
Women's International Bowling Congress, Inc.

We have examined the accompanying balance sheet of Women's International Bowling Congress, Inc. (WIBC), at July 31, 1981 and 1980, and the related statements of revenue and expenses, changes in fund balances, and changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. The financial statements of Bowlers' Building Corporation (BBC), an unconsolidated subsidiary in which WIBC has a 50% interest, have been examined by other independent auditors; insofar as our opinion on the financial statements relates to data included for BBC, it is based solely on their report. In the financial statements, WIBC's investment in BBC is stated at $1,976,160 and $2,060,061, respectively, at July 31, 1981 and 1980, and WIBC's equity in the operating expenses of BBC is stated at $301,618 and $269,888, respectively, for the years then ended.

In our opinion, based upon our examinations and the report of the other independent auditors, the statements mentioned above present fairly the financial position of Women's International Bowling Congress, Inc., at July 31, 1981 and 1980, and the results of operations and changes in financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis during the period.
